**Death and Dollars** Alicia H. Munnell,Annika Sunden,2004-05-13 Despite the recent downturn in the stock market the 1990s boom and the shift to defined contribution plans mean that more individuals will have significant wealth upon retirement How they use that wealth will determine not only their own well being but also the living standards of their children the resources available to philanthropies and the level of investment capital in the economy This volume explores the reasons why people save how they decide to allocate their wealth once they retire and how givers select their beneficiaries It also assesses the extent to which the estate tax and annuitization of retirement wealth affects the amount and nature of wealth transfers Finally it looks at the impact of wealth transfers first on the amount of aggregate saving and capital accumulation and then on the distribution of wealth among households Several conclusions emerge First gifts and bequests are important they may account for about half of total wealth in America Second rich people make most of the wealth transfers They are thoughtful about how much they pay in taxes and how they dispose of their wealth They care about philanthropic causes and view their charitable contributions as more than a way to avoid paying estate taxes Third most nonrich people probably have some lexicographic preferences about the disposition of their wealth they want to ensure they have adequate resources to take care of their own needs and if money is left over they would like it to go to their children Fourth little support has emerged for the pure altruistic model of bequests Fifth institutions matter In the case of the rich the estate tax probably reduces saving and increases bequests to charity In the case of the nonrich the shift to defined contribution plans will at a minimum mean that they have more wealth in their hands when they die and therefore they will leave larger accidental bequests It might also increase their interest in lea

Lawrence Ellsworth,Alexandre Dumas,2021-07-06 For years d Artagnan shared his adventures with his three comrades Athos Porthos and Aramis but now in Between Two Kings the First Musketeer returns to the forefront This is truly d Artagnan's novel bringing to a dramatic climax the story that began when he first arrived in Paris thirty years earlier in The Three Musketeers This brand new translation of Between Two Kings immediately picks up the story and themes of Blood Royal where d Artagnan tries to thwart destiny by saving England's Charles I now he will be instrumental in the restoration of his son Charles II the first of the two kings of the title Disappointed in the irresolution of young Louis XIV d Artagnan takes a leave of absence from the King's Musketeers and ventures to England with a bold plan to hoist Charles II onto his throne a

swashbuckling escapade in which he is unwittingly assisted by his old comrade Athos D Artagnan returns triumphant to France where he is recalled to service by the second king Louis XIV who is now finally ready to take full advantage of the extraordinary talents of his officer of musketeers This newly translated volume by Lawrence Ellsworth is the first volume of Alexandre Dumas s mega novel Le Vicomte de Bragelonne the epic finale to the Musketeers Cycle which will end with the justly famous The Man in the Iron Mask This marks the first significant new English translation of this series of novels in over a century

Probing Eyes Elton Higgs,2020-04-21 Probing Eyes is a collection of 156 poems written over a period of 60 years by a Christian professor of English literature The first and largest section is called Scriptural Extensions and it seeks to throw fresh light on various Scriptural situations by either projecting the personality of a character though a dramatic monologue or offering a fresh slant on the events depicted These poems proceed from asking the question I wonder what this biblical character was thinking in the midst of these events The second section Interactions presents some of the author s experiences in interfacing with others from family and friends to people only casually known The third section Perspectives on Time consists of poems written mostly as New Year s meditations dealing with how we as Christians are affected by the passage of time while the inexorable flow of time reminds of our finiteness and mortality it also challenges us to understand how God Who is timeless is master of our limitations The final section Personal and Meditative is a miscellanea of personal and occasional ruminations some serious and others playful The book has four indexes to facilitate finding a poem by title chronological placement Scriptural reference or topic The author hopes that these poems will thus lend themselves to use for private Bible study and sermon or worship application The most fruitful reading of the poems especially of those for which a Scriptural reference is given will come from a careful look at the relevant biblical texts This book is not presented as the work of a main stream poet for Prof Higgs has pursued his poetry writing as an avocation not a profession He has opted for clarity over artistic sophistication which may not commend him to contemporary critics and practitioners of poetic composition At the same time the author aspires to go beyond the kind of religious versification whose primary purpose is to convey a moral lesson through rhyming lines That is not an ignoble objective but it does not embrace a full participation in the linguistic complexity that characterizes serious poetry Dr Higgs seeks in his poems to combine the beauty of art with the beauty of Truth and thereby to stimulate fresh attention to who God is and how He works with the people of His creation The style of Probing Eyes is mainly free verse but with regular use of internal rhyme assonance and alliteration The reader may see reflected in this style Prof Higgs s admiration for the poetry of Gerard Manly Hopkins George Herbert John Donne and in conversational tone Robert Frost But above all the author hopes that readers find evidence of the influence of the Holy Spirit ad gloriam dei XXXXXXXX
