Small Kid Time Hawaii:

Small Kid Time Hawaii Eric Edward Chock, 1981 Poetry Native American Studies Eric Chock has taught with the Hawai i Poets in the Schools program since the early 70s and is currently the coordinator of the project This book edited by Chock is a collection of poems from his students Most of the poems in this book were written by 8 to 12 year old public school children with a sprinkling of poems by intermediate and high school students I would like to express my thanks to them for keeping poetry alive and well in Hawaii Chock s own book of poetry LAST DAYS HERE is also available from SPD **Poetry and Pedagogy** J. Retallack, J. Spahr, 2016-04-30 This anthology is a new reading of the contemporary poetries The collection gathers together the work of a number of scholars poets and teachers on the challenges and productive possibilities that arise when teaching contemporary writing today **Hawaii No Ka Oi** Edward Sakamoto, 1995-11-01 In The Taste of Kona Coffee two nisei brothers Aki and Tosh fight to free themselves from the prison of old world traditions and poverty only to find themselves bound by the constraints of neocolonialism In Manoa Valley set some thirty years later Tosh now a successful building contractor in Honolulu must reconcile his image of the future with that of his son Spencer who dreams of life in mainland America The third play The Life of the Land is set in 1980 Spencer has achieved his goals but at the cost of alienating himself from his family and his culture Hawaii No Ka Oi presents an important aspect of Japanese American social history in Hawaii yet it reflects the immigrant experience of other ethnic groups These are plays with which Americans of all backgrounds can identify Struggling To Be Heard Valerie Ooka Pang, Li-Rong Lilly Cheng, 1998-09-03 The social psychological and educational needs of Asian Pacific American youth often go unmet This book written by multicultural educators social workers psychologists and others challenges stereotypical beliefs and seeks to provide basic knowledge and direction for working with this population often labeled as the model minority Beyond Ethnicity Camilla Fojas, Rudy P. Guevarra, Nitasha Tamar Sharma, 2018-03-31 Written by scholars of various disciplines the essays in this volume dig beneath the veneer of Hawai i s myth as a melting pot paradise to uncover historical and complicated cross racial dynamics Race is not the primary paradigm through which Hawai i is understood Instead ethnic difference is celebrated as a sign of multicultural globalism that designates Hawai i as the crossroads of the Pacific Racial inequality is disruptive to the tourist image of the islands It ruptures the image of tolerance diversity and happiness upon which tourism business and so many other vested transnational interests in the islands are based The contributors of this interdisciplinary volume reconsider Hawai i as a model of ethnic and multiracial harmony through the lens of race in their analysis of historical events group relations and individual experiences and humor among other focal points Beyond Ethnicity examines the dynamics between race ethnicity and indigeneity to challenge the primacy of ethnicity and cultural practices for examining difference in Hawai i while recognizing the significant role of settler colonialism This original and thought provoking volume reveals what a racial analysis illuminates about the current political configuration of the islands and in doing so challenges how we conceptualize

race on the continent Recognizing the ways that Native Hawaiians or K naka Maoli are impacted by shifting violent and hierarchical colonial structures that include racial inequalities the editors and contributors explore questions of personhood and citizenship through language land labor and embodiment By admitting to these tensions and ambivalences the editors set the pace and tempo of powerfully argued essays that engage with the various ways that K naka Maoli and the influx of differentially racialized settlers continue to shift the social political and cultural terrains of the Hawaiian Islands over time

Asian American Poets Guiyou Huang, 2002-05-30 Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most

forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet s major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet s critical reception follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography Cruising World ,1990-01 Historical Dictionary of Asian American Literature and Theater Wenying Xu,2022-08-15 A Library Journal Best Reference Book of 2022 This book represents the culmination of over 150 years of literary achievement by the most diverse ethnic group in the United States Diverse because this group of ethnic Americans includes those whose ancestral roots branch out to East Asia Southeast Asia South Asia and Western Asia Even within each of these regions there exist vast differences in languages cultures religions political systems and colonial histories From the earliest publication in 1887 to the latest in 2021 this dictionary celebrates the incredibly rich body of fiction poetry memoirs plays and children s literature Historical Dictionary of Asian American Literature and Theater Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on genres major terms and authors This book is an excellent resource for students researchers and anyone wanting to know more about this topic **Slices of Life in Hawaii** J. Big Happiness Mark Panek, 2011-02-17 Big Happiness is extremely important to our community Mark Panek s biography of Percy Kipapa speaks to the consequences of the destruction of Hawai i s rural neighborhoods unchecked development the ice epidemic the failures of government sumo intricate family and neighbor relationships and more What is most impressive is Panek s ability to weave all of these complex topics together in a seamless narrative that connects all the dots Part mystery part investigative journalism part poignant Island portrait this work contains an emotional element that binds the reader to the subjects in a dignified yet touching way showing compassion and even affection for people while revealing their flaws and shortcomings This book will resonate with an Island audience and with anyone interested in Hawai i Victoria Kneubuhl Hawai i writer and playwright This book tells of personal triumphs and failures and also the triumphs and failures of families communities organizations agencies governments and churches dealing with the multiple consequences of progress in contemporary Hawai i There have been heroes and villains at all levels frequently the same individuals and agencies are both

at the same time The story of Percy Kipapa is especially poignant because professional sumo gave him a unique opportunity to transcend Hawai i s culture of colonialism racism poverty and drug addiction which in the end all brought him down anyway Mark Panek has done a masterful job of weaving these strands together Reverend Bob Nakata former Hawai i state senator Spanning the history of Waikane and the brutality of Japan s national sport Big Happiness is a remarkably ambitious piece that links one man s murder to the ice epidemic land development and political corruption in Hawai i Mark Panek s meticulously researched skillfully written heartbreaking story filled with voices that ring true is an indictment of an entire system that crushed a gentle giant While other Hawai i writers dwell in take me back to da kine nostalgia Panek tells it like it really is Chris McKinney author of The Tattoo and Mililani Mauka Chasing the Kahuna Lucille Gabriel,2008-12-30 Airman Jeremiah who is stationed at Hickam Air Base in Hawaii meets the kahuna lapaau and learns the Hawaiian philosophy of hooponononothe art of forgiveness and compromise followed by the harmonious merging of soul and body On his next assignment in Korea Jeremiah falls for a beautiful chaste Korean girl and marries her When his family is found murdered Jeremiah is the prime suspect forcing him to go AWOL In Hawaii he chases the kahuna in search of redemption for his sins However the kahuna is not convinced that Jeremiah is a murderer and uses all his powers of kahunaism to seek the truth
