Smart Woman's Guide to Marriage and Self-Sufficiency (HC) Aliette Carolan,2017-06-07 In this practical guide Aliette Carolan insightfully outlines the keys to a successful marriage and its dissolution She paves the way for women especially to feel empowered in their life choices which then allows them to make the best decisions for themselves and their family This is a great guide for any woman who wants to be smart empowered and conscious in the choices she makes in love life and family Dr Shefali Tsabary NYT Bestselling Author of THE AWAKENED FAMILY GIVE AWAY YOUR HEART but don t lose your mind Know the deal you re getting into Know that self preservation is the key to a happy marriage and a happy divorce We don t take a job expecting that we ll hate it and quit We don t sign the lease on an apartment we ll be sick of in six months and we don t enter into a relationship planning for the breakup But the flip side is that we shouldn t expect any relationship we enter into will save us from the responsibility of being self sufficient No matter where you are in the process dating engaged married contemplating separation and divorce if you can realize why you have to put yourself first you re halfway there Whether you re in the rapturous throes of endless love or the first moments of stomach churning awareness that your marriage is falling apart this book is for you It s for every woman who understands that self preservation will not happen if you rely on someone else to save you You need to maintain or begin to establish your personal independence and financial solvency if you want to be self sufficient no matter what life throws at you You can lean on someone but you have to be able to stand on your own two feet at a moment s notice and that s what this book is about **Training for Life** Fred J.

Hecklinger,Bernadette M. Black,2003 **The Smart Woman's Guide to Interviewing and Salary Negotiation** Julie Adair King,1995 The Smart Women s Guide to Interviewing and Salary Negotiation walks the reader through the resume creating process step by step It also addresses other key career issues of interest to women including breaking through the glass ceiling gender barriers commanding a fair salary and more *The Smart Woman's Guide to Property Law* Carla Spivack,2020-04-08 The income gap between women and men has gotten lots of attention in the last few decades today women earn seventy nine cents for every dollar men earn But fewer people are aware of the much more serious wealth gap for every dollar in wealth men own women own thirty two cents Thirty two cents Wealth matters Wealth is what gives us a financial safety net when we lose our jobs break up a relationship or divorce we or our dependents become sick or when we

are hit by some other financial crisis It enables us to build security to give our children a future and to retire It is passed from generation to generation allowing wealthy families to stay wealthy over time Wealth can generate income whether through investments in the financial markets or real estate or through funding a startup business and more Significant wealth even allows us to influence our world by allowing us to contribute to political campaigns and policy initiatives For these reasons wealth is a better indicator of financial status than income it reveals who is secure and influential and who is not By treating women and men equally without recognizing the gross social and economic advantages that differentiate us the law perpetuates the wealth gap Here Carla Spivack takes readers through a tour of a woman s life stages and the property laws that may apply and hinder their financial independence From living together to marriage from divorce to inheritance the circumstances invite unfair treatment that leaves women out in the cold Understanding how to protect your assets fight for what is fair and increase financial security is increasingly important as the wage gap continues to flourish Readers will learn about the laws that work against them and how to protect themselves regardless of their relationship status For all women of all ages here is your guide to keeping your wealth not matter how your relationship fares
