Cases, Materials and Text on

European Law and Private Law Arthur Hartkamp,Carla Sieburgh,Wouter Devroe,2017-03-09 This Casebook deals with the

horizontal effects of EU law which is to say its effects on relationships between individuals To a large extent these effects have been created by the Court of Justice of the European Union CJEU on the basis of the European Treaties The main focus of the Casebook is on the developments relating to primary EU law and their influence on national private law It studies instances where EU primary law has already directly or indirectly influenced the case law in the Member States or where it is expected to do so soon Compared to the well known impact of EU directives on private law these developments concerning primary EU law are hardly noted by private lawyers and perhaps not sufficiently explained by scholars of EU law Therefore the book makes an important contribution to scholarship and education This book highlights developments in the areas of competition law fundamental freedoms non discrimination general principles of EU law ex officio application of provisions of EU law and implementation of directives including harmonious interpretation and Francovich liability In its analysis of the ways in which EU law interacts with private law the book will be an invaluable resource to students practitioners and academics of EU private law

Small and Medium Enterprises in Distress Philippe Regnier, 2017-11-22 This title was first published in 2000 Since 1998 there have been many diagnoses studies and theories attempting to explain the East Asian economic crisis and the impact on major economic and financial sectors This text aims to fill a gap in the literature by examining the effects on small and medium sized enterprises From early 1998 unemployment figures in the region rose rapidly although large enterprises were not as yet engaged in corporate restructuring Registered small and medium sized enterprises SMEs and microenterprises were a major source of this unemployment especially among unskilled and seasonal workers This volume covers the debate in five ways An introductory chapter presents an overview of the SME international experience both in OECD and developing economies Part I looks at the economic and social contribution of SMEs in Thailand before and after the 1997 1998 crisis and Part II reviews government policy and SME promotion initiatives Part III explores the assumption that local SMEs linked to large firms have been more resilient while the concluding chapter suggests a range of policies which have been derived from experiences in places other than Thailand Encyclopedia of E-Commerce, E-Government, and Mobile Commerce Khosrow-Pour, D.B.A., Mehdi, 2006-03-31 Administration r f rence lectronique
