## Smiths Story Of The Mennonites:

**Smith's Story of the Mennonites** C. Henry Smith, 2005-01-26      *The Story of the Mennonites* Henry Smith, 1945

Smith's Story of the Mennonites C. Henry Smith, 1981-01-01      *Smiths Story of the Mennonites* C. Henry

Smith, 1981-01-01      *The Story of the Mennonites* C. Henry Smith, 1941      California Mennonites Brian Froese, 2015-02-19

Books geographically focused on the midwestern and eastern states dominate the study of Mennonites in America The intriguing history of Mennonites in the American West remains untold In *From Digging Gold to Saving Souls* Brian Froese introduces readers for the first time to the California Mennonite experience Although a few Mennonites did dig for gold in the 1850s the real story of Mennonites in California begins in the 1890s with westward migrations for fertile soil and healthy sunshine By the mid twentieth century the Mennonite story in California had developed into an interesting tale of religious conservatives traditional agrarians finding their way in an increasingly urban and religiously pluralistic California Some California Mennonites negotiated new identities by endorsing conservative evangelicalism some found them in reclamations of sixteenth century Anabaptists Still other Mennonites found meaningful religious experience by engaging in social action and justice even when these actions appeared in secular forms These emerging identities Evangelical Anabaptist and secular covered a broad spectrum yet represented a selective retaining and discarding of Mennonite religious practices and expressions *From Digging Gold to Saving Souls* touches on such topics as migration pluralism race gender pacifism institutional construction education and labor conflict all of which defined the experience of Mennonites of California Brian Froese shows how this experience was a rich complex and deliberate move into modern society In *From Digging Gold to Saving Souls* he introduces readers to a dynamic people who did not simply become modern but who chose to modernize on their own terms      *Mennonites in Illinois* Willard H. Smith, 2001-10-03 This book is a history of all branches of Mennonites including the Amish from their first arrival in the state of Illinois around 1830 to the present It deals briefly with Mennonite origins in Europe in the 16th century points out how the Amish split off from the Mennonites in the 1690s and depicts Mennonite Amish migrations to America especially those who came in the 19th century and settled in Illinois The work portrays the divisions that developed mostly after the Civil War and how the story became more complex It describes the effect of the Awakening and the influence of Fundamentalism and other forces on the Illinois Mennonites including the pressures toward American acculturation The author points out also the significant trend toward cooperation and unity in recent decades especially among the Old Mennonites and the General Conference Mennonites Smith is uniquely qualified to write this book He is a native of Illinois with a thorough knowledge and understanding of the customs and beliefs of Illinois Mennonites His family was among the early Mennonite settlers in the state and active in the spiritual life of their community Smith himself has studied and thought history for many years has written many historical articles and is the author or several books As a professor at Goshen College he had the support of other Mennonite historians and ready access to library and

archival material relating to Illinois Mennonites      *Introduction to Non-Violence* Theodore Paullin, 2019-12-04 In *Introduction to Non Violence* Theodore Paullin presents a compelling exploration of non violent resistance as a philosophical and practical approach to social change Paullin deftly employs a combination of historical analysis and personal narrative to illustrate the principles of non violence weaving through the works of influential figures such as Mahatma Gandhi and Martin Luther King Jr His literary style is both accessible and thought provoking inviting readers to reflect on the ethical dimensions of conflict resolution while situating non violence within broader sociopolitical movements The book is not only a theoretical framework but serves as a practical guide for those seeking to enact non violent strategies in their own lives and communities Theodore Paullin a scholar and activist with deep roots in the civil rights movement draws upon his extensive study of both historical and contemporary non violent movements His experiences have shaped his conviction that non violence is a powerful tool for social transformation Paullin s academic background combined with his real world advocacy lends a unique authenticity and urgency to his writings making the concepts resonate for a modern audience *Introduction to Non Violence* is essential reading for anyone interested in understanding the power of peaceful resistance It is an invaluable resource for activists students and scholars alike offering both theoretical insight and practical applications for cultivating a more just and equitable society Paullin s work encourages readers to reconsider their approaches to conflict and to recognize the profound impact of non violent action in shaping a better world      *Peace, Progress and the Professor* Perry Bush, 2015-09-15 What does it mean to be Mennonite in the modern world And what is the witness of a peace church that is always at risk of splintering C Henry Smith son of an Amish family erudite historian urbane bank president and pioneer of Mennonite scholarship sought answers to these questions in the middle of the 20th century and his answers reverberate through the church to this day In this engaging narrative biography historian Perry Bush chronicles Smith s childhood in an Illinois farming community his youthful turn toward intellectual inquiry and his confidence that Anabaptist faith and life offer gifts to the wider world By recounting the story of one of the foremost Mennonite intellectuals Bush surveys the storied terrain of 20th century Mennonite identity in its selective borrowing from wider culture and its tentative embrace of progressive reforms and higher education and growing conviction that Anabaptism served as a taproot of Western civilization Bush argues that Smith s body of historical writing furnished a new generation of Mennonites with both an understanding of their shared past and the tools to navigate an ever shifting present Volume 49 in the *Studies in Anabaptist and Mennonite History Series*      *Mennonites, Politics, and Peoplehood* James Urry, 2011-07-15 Mennonites and their forebears are usually thought to be a people with little interest or involvement in politics *Mennonites Politics and Peoplehood* reveals that since their early history Mennonites have in fact been active participants in worldly politics From western to eastern Europe and through different migrations to North America James Urry s meticulous research traces Mennonite links with kingdoms empires republics and democratic nations in the context of peace war and revolution Urry stresses a degree of Mennonite

involvement in politics not previously discussed in literature including Mennonite participation in constitutional reform and party politics and shows the polarization of their political views from conservatism to liberalism and even revolutionary activities Urry looks at the Mennonite reaction to politics and political events from the Reformation onwards and focuses particularly on those people who settled in Russia and their descendants who came to Manitoba Using a wide variety of sources Mennonites Politics and Peoplehood combines an inter disciplinary approach to reveal that Mennonites far from being the Quiet in the Land have deep roots in politics     The Americanization of a Rural Immigrant Church Dennis D. Engbrecht, 2017-07-06 Cover page Halftitle page Title page Copyright page Title page Copyright page

participants has been forwarded to the two world bodies for their consideration and action This important work will be relevant to all future scholarly research into the growing debate between Reformed and Mennonite communions

**Routledge Library Editions: Rural History** Various, 2021-07-14 The volumes in this set originally published between 1969 and 1990 draw together research by leading academics in the area of the rural history and provide an examination of related key issues The volumes examine social change in rural communities approaching the industrial revolution whilst also providing an overview of the history of rural populations in England France Germany Mexico and the United States This set will be of particular interest to students of history business and economics     The Waterloo Mennonites J. Winfield Fretz, 2010-10-30 The Waterloo Mennonites is truly a communal book the substance treats the communal aspect of the Mennonite community in all its complexity while the book itself came about through communal effort from the students and researchers assisting Fretz the various organizations and individuals providing support the larger community including the two universities and Wilfrid Laurier University Press and public funding agencies This book seeks to derive a clearer understanding of the sociological characteristics of a single Mennonite community beginning with the historical and religious background of the Waterloo Mennonites reviewing their European origins their ethnic identification and their immigration experience It also examines their basic institutions religion and church marriage and the family education and the school economics and earning a living government and how they relate to it their use of leisure time and methods of recreation It also looks at the way Mennonites interact with the larger society and how that society responds     *The Work of Their Hands* Gloria L. Neufeld Redekop, 2006-01-01 Impelled by a call to share their gifts through service Russian Mennonite women immigrating to Canada organized their own church societies Vereine as avenues of mission and spiritual strengthening For women who were restricted from leadership positions within the church these societies became the primary avenue of church involvement Through them they contributed vast amounts of energy time and financial resources to the mission activity of the church The societies thus became a context in which women could speak pray and creatively give expression to their own understanding of the biblical message Using primary sources such as reports letters minutes etc as well as society histories interviews and survey data Redekop charts the development of these societies from the establishment of the earliest ones in the 1870s to their flowering in the fifties and sixties and their decline in the eighties and nineties The Work of Their Hands elucidates the context in which Mennonite women lived their identity as Christian women one considered appropriate by themselves and the institutional church It also shows how changes to the societies including declining membership and a shift in their primary focus from sewing and baking to one of spiritual fellowship reflect the changing roles of women within the church the home and the wider society The Work of Their Hands is an important book in the history of Mennonite women s spirituality and will be a valuable resource for religious studies women s studies and Canadian history     *Martyrs Mirror* David Weaver-Zercher, 2016-03-15 The first scholarly history of the iconic Anabaptist text Approximately 2 500 Anabaptists

were martyred in sixteenth and early seventeenth century Europe Their surviving brethren compiled stories of those who suffered and died for the faith into martyr books The most historically and culturally significant of these The Bloody Theater more commonly known as Martyrs Mirror was assembled by the Dutch Mennonite minister Thieleman van Braght and published in 1660 Today next to the Bible it is the single most important text to Anabaptists Amish Mennonites and Hutterites In some Anabaptist communities it is passed to new generations as a wedding or graduation gift David L Weaver Zercher combines the fascinating history of Martyrs Mirror with a detailed analysis of Anabaptist life religion and martyrdom He traces the publication use and dissemination of this key martyrology across nearly four centuries and explains why it holds sacred status in contemporary Amish and Mennonite households Even today the words and deeds of these martyred Christians are referenced in sermons Sunday school lessons and history books Weaver Zercher argues that Martyrs Mirror was designed to teach believers how to live a proper Christian life In van Braght s view accounts of the martyrs helped to remind readers of the things that mattered thus inspiring them to greater faithfulness Martyrs Mirror remains a tool of revival offering new life to the communities and people who read it by revitalizing Anabaptist ideals and values Meticulously researched and illustrated with sketches from early publications of Martyrs Mirror Weaver Zercher s ambitious history weaves together the existing scholarship on this iconic text in an accessible and engaging way **Mennonite Life** ,1994

**Passionate Possessions of Faith** Robert Glen Guenther,1994 The Guenther family appears to have originated in Switzerland Members of the family converted to the Anabaptist movement and were forced to flee first to Moravia and later to the valley of the Vistula in Poland and west Prussia Eventually members of the family became Mennonites and moved to the Ukraine where a number of Germans were settling One of the Guenthers to move there was Franz G nther 1827 1900 who married Maria Warkentin and was the father of six children In 1878 Franz Maria and four of their children immigrated to America They settled in South Dakota where one of the children Cornelius F Guenther 185301934 married Eva D rksen and was the father of fourteen children Their many descendants live throughout the United States *Anabaptist/Mennonite Faith and Economics* Calvin Wall Redekop,Victor A. Krahn,Samuel J. Steiner,1994 The continuing conflict between the Anabaptist Mennonite community and the expanding industrial culture of the modern world has not been investigated This book addresses the issues which fuel that conflict focusing on the implications of subordinating an economic system to the theological framework of a Christian society Contributors Gregory Baum Lawrence J Burkholder Leo Driedger Kevin Enns Rempel Norm Ewert Jim Halteman Leland Harder Al Hecht Jim Lichti Jacob A Leowen John Peters Cal Redekop Walter Regehr T D Regehr Jean Seguy Robert Siemens Arnold Snyder Willis Sommer Mary Sprunger and Laura Weaver Co published with the Institute of Anabaptist and Mennonite Studies *Becoming Anabaptist* J. Denny Weaver,1987-05-09 When *Becoming Anabaptist* appeared in 1987 it was the first major study to incorporate the new history of multiple beginnings and a diverse Anabaptism into a synthesis of meanings for the late 20th century J Denny Weaver s attempt was

welcomed and widely acclaimed by scholars and by church leaders alike In this second edition Weaver provides a masterful treatment of his beloved Anabaptist vision William Willimon in the Foreword
