Smithsonian Treasury Of American Quilts

Doris M. Bowman

Smithsonian Treasury Of American Quilts:

American Quilts. The Smithsonian Treasury, 1991 **American Quilts** Doris M. Bowman, 1991 Presents 60 quilts from the museum's collection with commentary *Quilt Culture* Cheryl B. Torsney, Judy Elsley, 1994 As a blanket a commemorative covering and a work of art the quilt is a nearly universal cultural artifact In recent years it has been recognized as one of our most compelling symbols of cultural diversity and the power of women In this collection Cheryl B Torsney and Judy Elsley bring together eleven provocative essays on the quilt as metaphor in literature history politics and philosophy This interdisciplinary approach makes *Quilt Culture* an extraordinarily rich exploration of a cultural artifact whose meaning is far more complex than that of a simple bed covering Publishers website **Crazy Quilts** Cindy Brick, 2011-03-15 Here's your chance to get up close and personal with an amazing collection of crazies Quilter's Newsletter Magazine Made from the finest silks satins and velvets and stitched together with elaborate embroidery the crazy quilt is a testament to quilters rich imagination and artistry This beautiful book traces the bewitching history of Crazies from their earliest origins to the present day Distinguished quilting teacher and appraiser Cindy Brick follows the crazy quilt from colonial times the Civil War the Victorian era and through today decoding the mystery and meaning of these curious quilts Also included is a detailed how to section on constructing crazy quilts Brick offers methods for planning piecing and embroidering or embellishing your quilt and gives numerous helpful tips that only an expert could provide *Massachusetts Quilts* Lynne Z. Bassett, 2009 The definitive treasury of Massachusetts's historic quilts and a tribute to the creative spirit of their makers *The Quilt* Elise Schebler Roberts, Helen Kelley, Sandra Dallas, Jennifer Chiaverini, Jean Ray Laury, Here is the largest most comprehensive history of American quilts ever published *The Quilt* explores the evolution of quilting in America showing in vivid colors and patterns how African American Amish Hawaiian Hmong and Native American quilts celebrate cultural identity and how quilts connect us to one another through quilting bees and other community groups Noted quilt historian Elise Schebler Roberts also goes beyond the historical nature of quilts to cover current efforts at quilt preservation collecting and appraising and state documentation projects Her book features an encyclopedia of favorite quilt styles and is gloriously illustrated with more than 200 full color photographs of classic collectible quilts *Kentucky by Design* Andrew Kelly, 2015-07-31 The Index of American Design was one of the most significant undertakings of the Federal Art Project the visual arts arm of the Works Progress Administration Part of President Franklin D Roosevelt's New Deal this ambitious initiative set out to discover and document an authentic American style in everyday objects The curators of the Index combed the country for art of the machine age from carved carousel horses to engraved powder horns to woven coverlets created by artisans for practical use In their search for a true American artistic identity they also sought furniture designed by regional craftsmen laboring in isolation from European traditions *Kentucky by Design* offers the first comprehensive examination of the objects from the Bluegrass State featured in this historic venture It showcases a wide

array of offerings including architecture furniture ceramics musical instruments textiles clothing and glass and metalworks The Federal Art Project played an important role in documenting and preserving the work of Shaker artists from the Pleasant Hill and South Union communities and their creations are exhibited in this illuminating catalog Beautifully illustrated with both the original watercolor depictions and contemporary art quality photographs of the works this book is a lavish exploration of the Commonwealth's distinctive contribution to American culture and modern design Features contributions from Jean M Burks Erika Doss Jerrold Hirsch Lauren Churilla Larrie Currie Michelle Ganz Tommy Hines Lee Kogan Ron Pen Janet Rae Shelly Zegart Mel Hankla Philippe Chavance Kate Hesseldenz Madeleine Burnside and Allan Weiss American Folk Art for Kids Richard Panchyk, 2004-09-01 Drawing on the natural folk art tendencies of children who love to collect buttons bottle caps shells and Popsicle sticks to create beautiful imperfect art this activity guide teaches kids about the history of this organic art and offers inspiration for them to create their own masterpieces The full breadth of American folk art is surveyed including painting sculpture decorative arts and textiles from the 17th century through today Making bubblegum wrapper chains rag dolls bottle cap sculptures decoupage boxes and folk paintings are just a few of the activities designed to bring out the artist in every child Along the way kids learn about the lives of Americans throughout history and their casual relationships to everyday art as they cut stencils sew needlepoint samplers draw calligraphy birds and design quilts Important folk artists such as the last surviving Shakers the legendary Grandma Moses and the Reverend Howard Finster are also explored in sidebars throughout the book **African Americans and the Bible** Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed Quilting with a Modern Slant Rachel May, 2014-01-28 May does a marvelous job of capturing a moment in the modern

quilting movement as well as the viewpoints and opinions of the creators Library Journal starred review Modern quilting allows artists the freedom to expand on traditions and use fabrics patterns colors and stitching innovatively to create exciting fresh designs In Quilting with a Modern Slant Rachel May introduces you to more than seventy modern quilters who have developed their own styles methods and aesthetics Their ideas quilts tips tutorials and techniques will inspire you to try something new and follow your own creativity wherever it leads An encyclopedia of modern quilting Like a good host May serves as an enthusiastic introducer teacher and cheerleader Publishers Weekly The bounty of creativity is inspiring and the variety of quilts featured will open the readers eyes to all of the aspects of this popular movement This volume belongs in all quilting collections Library Journal starred review Light in tone and visually beautiful Quilting with a Modern Slant will become the book on modern quilting by which all others to come will be measured Craft Nectar *Glorious American Quilts* Museum of American Folk Art, Elizabeth V. Warren, Sharon L. Eisenstat, 1996 One of America s largest collections of quilts containing almost 400 examples at the time of this publication and steadily growing belongs to the Museum of American Folk Art in New York City As it is a national not a regional institution the Museum does not restrict its collection by location nor is it restricted by time period The quilts have been made all over the country and range in date from the late eighteenth to the late twentieth century Until this publication however there has been no comprehensive guide to the Museum s quilts almost all of which have been donated by collectors in the field Highlights from the collection have been published and exhibited many times but the purpose of this book is to provide an opportunity for quiltmakers collectors scholars and others to explore the collection in depth The comprehensive discussion of the quilts has been divided into eleven chapters that are illustrated with 141 color plates This text is then followed by a catalog of the entire collection which in turn contains forty four black and white illustrations Here then is a richly handsome and informative volume that will prove to be essential for all those fascinated by this category of American folk art BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved A Stitch in Time Aimee E. Newell, 2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects

of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund

Department of the Interior and Related Agencies Appropriations for Fiscal Year 1994: Nondepartmental witnesses United States. Congress. Senate. Committee on Appropriations. Subcommittee on the Department of the Interior and Related Agencies, 1994

Quilts of the Oregon Trail Mary Bywater Cross, 2007 Presents quilts as documents of history that help us learn about the lives and experiences of the many women who traveled the Oregon Trail from 1840 1870 Features 56 quilts made before during and after the journey shown in full color along with vintage photos of the makers and historical background Includes multiple appendices glossary and extensive bibliography
