Solzhenitsyn At Harvard The Address Twel:

Solzhenitsyn at Harvard Ronald Berman, 1980 By any measure Solzhenitsyn's commencement address at Harvard was a historic statement and it was so treated by the American press But much of the comment in the media was confused and superficial This study is an effort to place Solzhenitsyn's ideas in historical political and philosophical perspective The speech itself makes up Part One of the book Part two offers a sampling of the comments that appeared in major newspapers and magazines including those of George F Will Arthur Schlesinger Jr Archibald MacLeish James Reston and Mary McGrory Part three consists of six reflective essays from various perspectives on Solzhenitsyn's ideas and judgements Ronald Berman a literary scholar relates Solzhenitsyn to other modern writers Sidney Hook provides a philosophical perspective on the speech Harold J Berman a legal expert analyzes Solzhenitsyn's conception of Western Law Russian specialist Richard Pipes places the speech in the context of Russian intellectual and political history Historian William H McNeill challenges Solzhenitsyn's understanding of the West And theologian Michael Novak deals with his religious ideas **Aleksandr Solzhenitsyn** Daniel J. Mahoney, 2001-08-07 In Aleksandr Solzhenitsyn Daniel Mahoney presents a philosophical perspective on the political condition of modern man through an exegesis and analysis of Solzhenitsyn's work Mahoney demonstrates the tremendous yet often unappreciated impact of Solzhenitsyn's writing on twentieth century thinking through an examination of the writer's profoundly important critique of communist totalitarianism in a judicious and original mix of western and Russian Christian and classical wisdom And the Word Became Flesh Thomas H. Olbricht, David Fleer, 2009-06-01 In his fifty three years Michael W Casey made an indelible impact upon all his academic friends in the United States Great Britain and elsewhere in the world His thirty some years of research and publications were multinational Mike was especially adept at looking into archival details on the numerous subjects that interested him in communication Scripture and history especially as they focused upon Churches of Christ and the Stone Campbell Movement If a scholar ever believed that the grandest project depends on the accuracy of the smallest component it was Mike Casey He believed that words were enfleshed in concrete persons All his studies recognized the persuasive powers of committed humans The title for this volume therefore is And the Word Became Flesh The essays in this volume are divided into three sections Those in the first section are on Restoration History The second section is on communication studies And the final section contains essays on a specialty of Casey's conscientious objection just war and Christian peacemaking We Have Ceased to See the Purpose Aleksandr Solzhenitsyn, 2025-04-01 This collection brings together ten of Nobel Prize winner Aleksandr Solzhenitsyn's most memorable and consequential speeches delivered in the West and in Russia between 1972 and 1997 Following his exile from the USSR in 1974 Aleksandr Solzhenitsyn lived and traveled in the West for twenty years before the fall of Communism allowed him to return home to Russia The majority of the speeches collected in this volume straddle this period of exile contemplating the materialism prevalent worldwide forcibly imposed in the socialist East freely chosen in the capitalist West and searching for

humanity's possible paths forward In beautiful yet haunting and prophetic prose Solzhenitsyn explores the mysterious purpose of art the two edged nature of limitless freedom the decline of faith in favor of legalistic secularism and perhaps most centrally the power of literature art and culture to elevate the human spirit These annotated speeches including his timeless Nobel Lecture and Harvard Address have been rendered in English by skilled translators including Solzhenitsyn's sons The volume includes an introduction to the speeches brief background information about each speech and a timeline of the key dates in Solzhenitsyn's life

Will it Liberate ? Michael Novak, 1991-06-19 Michael Novak's work is challenging We often disagree sharply in our interpretations and assessments of liberation theology but he raises important issues which call for clarification and response

Russian Approaches to International Law Lauri Mälksoo, 2015 Russian Approaches to International Law looks at how Russia has developed its understanding of international law in the post Soviet period examining the language of international law in post Soviet Russia and Russian practice on the use of military force human rights and investor state arbitration
