The Divorced Dad Dilemma Gerald S. Mayer, 2000-11-02 At last the confused and hurt father experiencing the loss of marriage family life and routine contact with his children can find calm and loving guidance in how to live in changed circumstances So much written about divorce and single parenting is addressed to women Until recently a caring father has had relatively little guidance for his conduct in the painful process of dismantling a traditional family and establishing a new basis for relating to his former spouse and his children Gerald S Mayer in *The Divorced Dad Dilemma* provides this critically needed guidance in an authoritative gentle and thorough manner , The New American Crime Film Matthew Sorrento, 2012-09-18 The American crime film has recently enjoyed a surge in popularity and proliferation making it the most pervasive genre in contemporary cinema Though it now tackles current issues it continues to reference the classic narratives and archetypes established in the great crime pictures of past decades The titles explored in this critical survey feature a variety of themes and show that the crime film genre has fused with other genres to create fascinating hybrids Focusing on character and plot construction the author highlights the gangster and film noir traditions that still run strongly through recent American cinema Among the many filmmakers analyzed within these pages are David Lynch Gus Van Sant David Mamet Werner Herzog Sam Raimi David Cronenberg and the Coen Brothers Stuart Gordon director of the cult classic *Re*
