Some Deeper Aspects of Masonic Symbolism: Foundations of Freemasonry Series Arthur Edward Waite, 2020-02-08

Some Deeper Aspects of Masonic Symbolism Arthur Edward Waite, 2016-01-18 This early work by Arthur Edward Waite was originally published in the early 20th Century and we are now republishing it with a brand new introductory biography. Some Deeper Aspects of Masonic Symbolism is one of Waite's writings on secret societies. Arthur Edward Waite was born on the 2nd of October 1857 in America. After the death of his father, Waite and his mother returned to her native England where he was raised in North London attending St Charles College from the age of thirteen. Waite left school to become a clerk but also wrote verse in his spare time. The death of his sister Frederika Waite in 1874 soon attracted him into psychical research. Waite became a prolific author with many of his works being well received in academic circles. He wrote occult texts on subjects including divination, esotericism, Rosicrucianism, Freemasonry and ceremonial magic, Kabbalism and alchemy.

**Some Deeper Aspects of Masonic Symbolism** Arthur Edward Waite, 1993      **SOME DEEPER ASPECTS of MASONIC SYMBOLISM (Annotated)** Arthur Edward Waite, 2017-11-05 THE subject which I am about to approach is one having certain obvious difficulties because it is outside the usual horizon of Masonic literature and requires therefore to be put with considerable care as well as with reasonable prudence. Moreover it is not easy to do it full justice within the limits of a single lecture. I must ask my Brethren to make allowance beforehand for the fact that I am speaking in good faith and where the evidence for what I shall affirm does not appear in its fullness and sometimes scarcely at all they must believe that I can produce it at need should the opportunity occur. As a matter of fact some part of it has appeared in my published writings. I will introduce the question in hand by a citation which is familiar to us all as it so happens that it forms a good point of departure. But as we are not all operative Masons but rather Free and Accepted or speculative we apply these tools to our morals. With certain variations these words occur in each of the Craft Degrees and their analogies are to be found in a few subsidiary Degrees which may be said to arise out of the Craft as for example the Honorable Degree of Mark Master Mason. That which is applied more specially to the working implements of Masonry belongs to our entire building symbolism whether it is concerned with the erection by the Candidate in his own personality of an edifice or superstructure perfect in its parts and honorable to the builder or in the Mark Degree with a house not made with hands eternal in the heavens or again with Solomon's Temple spiritualized in the Legend of the Master Degree.
