Partiality Simon Keller, 2013-06-02 We are partial to people with whom we share special relationships if someone is your child parent or friend you wouldn't treat them as you would a stranger But is partiality justified and if so why Partiality presents a theory of the reasons supporting special treatment within special relationships and explores the vexing problem of how we might reconcile the moral value of these relationships with competing claims of impartial morality Simon Keller explains that in order to understand why we give special treatment to our family and friends we need to understand how people come to matter in their own rights Keller first presents two main accounts of partiality the projects view on which reasons of partiality arise from the place that people take within our lives and our commitments and the relationships view on which relationships themselves contain fundamental value or reason giving force Keller then argues that neither view is satisfactory because neither captures the experience of acting well within special relationships Instead Keller defends the individuals view on which reasons of partiality arise from the value of the individuals with whom our relationships are shared He defends this view by saying that we must accept that two people whether friend or stranger can have the same value even as their value makes different demands upon people with whom they share different relationships Keller explores the implications of this claim within a wider understanding of morality and our relationships with groups institutions and countries

Someone Special Michayla Nham, 2025-09-17 Sage is a senior in high school She has a strong group of friends and a great work ethic still something is missing After her toxic relationship ended two years ago she wrote love off for a while Now with her time in high school almost over she wonders if she will ever find someone special Sage begins to believe that she just might when a popular boy starts paying her more attention Soon after this she starts to receive mysterious notes signed by an unknown Someone Special Will Sage take a chance on the boy she already knows or hold out for this anonymous admirer Will Sage finally find the love that she has been longing for and will it be everything she ever dreamed it could be

The Top Books of the Year Somebody Special Signed The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Somebody Special Signed : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Somebody Special Signed : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
