Someone Of Value A Biography Of Robert Ruark:

Someone of Value Hugh W. Foster,1992 **Mau Mau in Harlem?** G. Horne,2009-08-31 Based on archival research on three continents this book addresses the interpenetration of two closely related movements the struggle against white supremacy and Jim Crow in the U S and the struggle against similar forces and for national liberation in Colonial Kenya

The Hemingway Review ,2001 **African, American** David Peterson del Mar,2017-06-15 Africa has long gripped the American imagination From the Edenic wilderness of Edgar Rice Burroughs s Tarzan novels to the black Zion of Garvey s Back to Africa movement all manner of Americans whether white or black male or female have come to see Africa as an idealized stage on which they can fashion new more authentic selves In this remarkable panoramic work David Peterson del Mar explores the ways in which American fantasies of Africa have evolved over time as well as the role of Africans themselves in subverting American attitudes to their continent Spanning seven decades from the post war period to the present day and encompassing sources ranging from literature film and music to accounts by missionaries aid workers and travel writers *African American* is a fascinating deconstruction of Africa as it exists in the American mindset *Beacham's Encyclopedia of Popular Fiction* Kirk H. Beetz,1996 *Forthcoming Books* Rose Arny,1993 **The North Carolina**

Historical Review ,2004 **The White Spaces of Kenyan Settler Writing** Terrence L. Craig,2017-03-27 *The White Spaces of Kenyan Settler Writing* provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been over shadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period **LIFE** ,1962-06-29 *LIFE Magazine* is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Field & Stream* ,2007-10 *FIELD STREAM* America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations
