Something I Remember Selected Poems For Young Children:

Something I Remember Eleanor Farjeon, 1987 **New and Selected Poems** Michael D. Higgins, Mark Patrick Hederman, 2011-07-23 Michael D Higgins is one of Ireland's leading public intellectuals. As well as having made a significant contribution to public life, he is a prolific poet whose work ranges from the personal to the political and geographically from the west of Ireland to Nicaragua and the Middle East. Here he has gathered together the very best of his poetic output over the years. In these poems he casts a wry, compassionate eye on human weakness and resilience and the centrality of love to all human relations. Throughout it all, his yearning for a world marked above all by social justice stands out. This collection is a treasury of the very best of his writing over the years and is sure to delight younger readers as well as his established followers.

From the Garden to the Street Morag Styles, 1997-06-01 From John Bunyan's country rhymes to rude chants about Manchester United, from Ted Hughes to Edward Lear and from William Blake to the Taylor sisters, Morag Styles covers three hundred years of poetry with infectious enthusiasm and a keen critical eye. In this scholarly and fascinating book, she provides an informative account of the history of poetry written for children in Britain and America in the last three centuries. She analyses the major poets, genres and developments over this period and traces the continuities between the past and the present. Styles asks fundamental questions which have often been left unanswered: What do we mean by children's poetry? Why did such a seemingly small number of women write poetry for children until recently? The author subscribes to the widest possible definition of poetry, and so the reader will find in this book hymns, songs, playground rhymes, raps and verse, whether trivial or profound. *From the Garden to the Street* will provoke, inform and entertain academics of children's literature, those who teach it in the classroom and all of us who still take pleasure in the poetry of childhood.

Reading Ted Hughes: New Selected Poems Neil Roberts, 2016-10-09 A brilliant new study of one of the great English poets of the 20th Century by a distinguished critic and scholar. This book opens with a section on Hughes's life, including the relationship with Sylvia Plath and the effect of her suicide on his poetry and reputation, followed by a review of Hughes's artistic strategies, his poetic language and influences on his work, including the poets of Eastern Europe. The body of the book offers an approach to reading *New Selected Poems* 1995, taking in turn each of the remarkable and remarkably varied works from which the poems were selected: *The Hawk*, *In the Rain*, *Lupercal*, *Wodwo*, *Crow*, *Cave Birds*, *Season Songs*, *Gaudete*, *Remains of Elmet*, *Moortown*, *Diary River* and *Wolfwatching*. It concludes with a review of Hughes's reception and a six-page bibliography. Professor Roberts's books include *Ted Hughes: A Critical Study* with Terry Gifford (Faber, 1981), *D. H. Lawrence: Travel and Cultural Difference* (Palgrave, 2004) and *Ted Hughes: A Literary Life* (Palgrave, 2006).

Selected Poems Rabindranath Tagore, 2005-03-31 The poems of Rabindranath Tagore (1861-1941) are among the most haunting and tender in Indian and in world literature, expressing a profound and passionate human yearning. His ceaselessly inventive works deal with such subjects as the interplay between God and the world, the eternal and the transient, and with the paradox of an endlessly changing

universe that is in tune with unchanging harmonies Poems such as *Earth and In the Eyes of a Peacock* present a picture of natural processes unaffected by human concerns while others as in *Recovery 14* convey the poet's bewilderment about his place in the world And exuberant works such as *New Rain* and *Grandfather's Holiday* describe Tagore's sheer joy at the glories of nature or simply in watching a grandchild play *Select poems* Theocritus,1987 This selection of the poems of Theocritus illustrates his creative genius and rare powers of observation Dover's introduction and notes offer insights into both the writing and the life and times of the poet *Written for Children* John Rowe Townsend,1996 This is a brief readable account of English prose fiction for children from its beginning main streams of development and includes the *Courtesy Books* of a later age and the work of the remarkable John Newbery in the eighteenth century The nineteenth century which began with Mrs Sherwood's *The Fairchild Family* designed to strike the fear of hellfire into every child's soul later saw the works of Lewis Carroll Stevenson Henty and the development of the school story from *Tom Brown* to *Stalky Book Jacket*

Collected Poems of Lenore Kandel

Lenore Kandel, 2012-04-10 Jack Kerouac immortalized her in his novel Big Sur A student of Zen she hung out with Gary Snyder and Allen Ginsberg and was a speaker at San Francisco's Human Be In But Lenore Kandel was no muse or hanger on she was a brilliant lyric poet often unabashedly erotic and that's where her legacy lies Collected Poems of Lenore Kandel contains 80 examples of her art from the holy erotica of her early years to later more contemplative works Many of the poems have never been published others only in rare ephemeral publications Some are explicit celebrating carnal love as part of the divine Others are humorous and cover more quotidian subjects A recurring theme is the divine animal duality The collection includes poems written from the early fifties up until Kandel's death The paradox of Lenore Kandel is that despite her prodigious talent she was one of the least read and critically appreciated of modern poets Kandel found her voice at a time when the Beat era was giving way to the countercultural age and though she straddled both eras it meant that she also fell through the cracks in terms of recognition Now for the first time the full range of her work appears in one volume
