**The Expression Son of Man and the Development of Christology** Mogens Mueller,2014-10-20 Son of Man is practically the only self designation employed by Jesus himself in the gospels but is used in such a way that no hint is left of any particular theological significance Still during the first many centuries of the church the expression as it was reused was given content first literally as signifying Christ s human nature Later Son of Man was thought to be a christological title in its own right Today many scholars are inclined to think that in an original Aramaic of an historical Jesus it was little more than a rhetorical circumlocution referring to the one speaking Mogens M ller s *The Expression Son of Man and the Development of Christology A History of Interpretation* is the first study of the Son of Man trope which traces the history of interpretation from the Apostolic Fathers to the present concluding that the various interpretations of this phrase reflect little more than the various doctrinal assumptions held by its interpreters over centuries *Early days; or, The Wesleyan scholar's guide* ,1856 [The Church School Journal](#) ,1882 [A Commentary on the Epistles for the Sundays and Other Holy Days of the Christian Year](#) William Denton,1869 **Life in the Trinity** Donald Fairbairn,2025-05-29 What can the early church contribute to theology today Although introductions to Christian theology often refer to its biblical foundations seldom is much attention paid to the key insights the early church had into the nature of Christian faith and life Donald Fairbairn takes us back to those biblical roots and to the central convictions of the early church showing us what we have tended to overlook especially in our understanding of God as Trinity the person of Christ and the nature of our salvation as sharing in the Son s relationship to the Father This book will prove useful to beginning theology students as well as advanced theologians who want to get at the heart of the Christian gospel [The Church of England Magazine](#) ,1847 Report and speeches at the third annual meeting of the Church Pastoral aid Society May 8 1838 **Christian Thought** ,1907 **Jesus Christ** Susan Easton Black,2001 **The Evangelical Repository** ,1843 *Holy-days and holidays, a treasury of historical material, sermons, poetry [&c.] relating to holy days and holidays, compiled by E.M. Pedrone,2019-05-10 A young man walks along a road leading to the Sea of Galilee Messiahs were plentiful in the first century In Judaism the idea of Messiah referred to a king appointed by the Almighty After the Hasmonean kingdom in the first century and the Roman Jewish wars in the first two centuries the idea of a Messiah expanded The Messiah was considered to be the individual who would deliver the Jewish people from the Roman Empire thus ushering in the golden age of Messiah Now here comes another A leader of a Jewish sect was crucified and there were those who claimed he rose from the grave It does sound a little preposterous Messiahs could fill volumes with their plans and heroics but the obvious questions are Where are they now Where are their followers A man who gathers twelve apparent misfits of society and leads them while he teaches heals delivers evil spirits and raises some from the dead is certainly unique Is he one of the many self proclaimed Messiahs or is he different The faith that this man founded today represents nearly one third of the world s population The Beginning details how this movement started From a small group called The Way to the conversion of a vitriolic Pharisee to meetings with well known political activists the story begins So snuggle up get a nice warm drink and follow The Beginning the early story of Christianity
