Songs to Come for the Salamander Mark Young, 2021-09 Some readers might assume that particular highly pessimistic generalizations in Young's poems are actually Mark Young presenting his sense of doom The little ditty democracy registers the claim that no one knows the words to the song the concept of democracy even though every one sings it and since violence is learned tells us that tolerance is no longer available is replaced by trauma Although nothing in the poems not even such affirmations of aesthetic transport as Constant Craving which speaks of music that acts as axis to steady everything around makes one identify the poet as a bright eyed optimist various moments in the work display too much respect for the complexity of cause and effect limitations of human perception the transience of trends and sudden appearances of the unexpected to place sustained credence in large generalizations and foregone conclusions from the Introduction by Thomas Fink

Song for Salamander Miriam Gallagher, 2004 When Salamander Quinn decides to liberate all the lost souls at St Job's Infirmary he embarks on a Kafkaesque journey Just before Christmas his plans are further complicated by the arrival of a mystery woman who sets in motion a chain of startling events Faced with mounting odds as his past comes back to haunt him he struggles to prevail As Easter approaches plans are afoot to move everyone at St Job's to the new Anna Livia hospital the brainchild of the Minister for health At St Job's plans to implement a new technique for memory loss are postponed At Whitsun the new Anna Livia hospital is opened Chaos reigns To the amazement of the Hospital Fathers there is talk of a nurses strike With the Health Service in crisis and Dublin in the grip of global warming Salamander risks all to attain his goal As Michaelmas draws near he is inspired by former heroes like Scipio Africanus for whom surprise was the greatest form of attack Amidst mounting pressure Salamander presses onwards planning to celebrate Halloween with his own brand of fireworks Powerful forces determine his ultimate destiny as he makes his final journey I enjoyed it immensely The book is composed of marvellous visual moments and references calling out to be translated into cinema A paradigm for the time and place we live in liberated psychiatric patients drifting down the Grand canal to the sea a mediaeval Ship of Fools singing Christmas Carols at Halloween _____ Irish Poet Macdara Woods

Mermaids, Sylphs, Gnomes, and Salamanders William R. Mistele, 2012-10-23 Although the spirit beings of the four elements of nature have been represented in literature religion and folk tales descriptions of these creatures have been vague and direct experience with them is quite rare Yet each of the four elemental kingdoms offers great gifts to humanity if we are willing to recognize that the psychological and spiritual qualities they embody are already inherent in human nature Mermaids dwell in the oceans lakes and rivers They offer love and sharing a sense of wonder beauty and innocence Sylphs

roam the sky they represent harmony balance and the attainment of freedom Gnomes live underground Their quiet inner wisdom banishes depression and sorrow Salamanders dwell in volcanoes and vast caverns of magma beneath the earth They offer the power of intense heat to refine transform and integrate Who are these mysterious creatures of water air earth and fire Author William Mistele has devoted a significant portion of his life to finding out Addressing the perennial questions Why are we here What is the deepest purpose of life What are our options Mermaids Sylphs Gnomes and Salamanders takes the reader directly into the realms of these spirits telling stories from their perspective Weaving together fairy tales and poems thoughtful analysis and meditative exercises Mistele illuminates the qualities these beings have mastered and humanity must begin to embrace empathy an inner peace with the universe a divine level of sensuality and a love that is everywhere in every moment
