of the church and the body of Jesus Christ *Exalting Jesus in Song of Songs* Dr. Daniel L. Akin, 2015-02-01 Led by series editors David Platt Daniel L. Akin and Tony Merida this series affirms that the Bible is a Christ centered book containing a unified story of redemptive history of which Jesus is the hero It is presented as sermons making this series ideal for small group study personal devotion and even sermon preparation **NIVAC Bundle 3: Wisdom Books** John H. Walton, Gerald H. Wilson, Paul Koptak, Iain Provan, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written *The Bible in History* David W. Kling, 2022-12-19 Over 15 years after its original publication *The Bible in History* remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W. Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony's call to the desert and a life of monasticism after hearing Jesus's directive to the rich young ruler to give up his possessions to the Anabaptists' non-violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28:18-20 and considers the multitudinous interpretations before during and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts *The Song of Solomon and Psalms* , 2012-01-01 This is a wonderful collection of some of the best known and best loved poetic texts from the Old Testament as translated in the King James Bible
