Skeletons on the Zahara Dean King, 2025-05-01 A National Bestseller the true story of shipwrecked American sailors in Africa who were captured by slavers and forced to trek through the Sahara This true life saga reads like a cross between Master and Commander and Lawrence of Arabia People The western Sahara is a baking hot and desolate place home only to nomads and their camels and to locusts snails and thorny scrub and its barren and ever changing coastline has baffled sailors for centuries In August 1815 the US brig Commerce was dashed against Cape Bojador and lost although through bravery and quick thinking the ship's captain James Riley managed to lead all of his crew to safety What followed was an extraordinary and desperate battle for survival in the face of human hostility starvation dehydration death and despair Captured robbed and enslaved the sailors were dragged and driven through the desert by their new owners who neither spoke their language nor cared for their plight Reduced to drinking urine flayed by the sun crippled by walking miles across burning stones and sand and losing over half of their body weights the sailors struggled to hold onto both their humanity and their sanity To reach safety they would have to overcome not only the desert but also the greed and anger of those who would keep them in captivity From the cold waters of the Atlantic to the searing Saharan sands from the heart of the desert to the heart of man **Skeletons on the Zahara** is a spectacular odyssey through the extremes and a gripping account of courage brotherhood and survival A little bit H Rider Haggard a little bit Jon Krakauer a little bit Nathaniel Philbrick and a whole lot of gruesome fun Salon **Summary of Dean King's Skeletons on the Zahara** Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The crew of the 220 ton brig Commerce set sail in 1815 They were headed first to New Orleans and if the peace held they would cross the Atlantic to Gibraltar and partway down the west coast of Africa to the Cape Verde Islands for salt to bring back to Connecticut 2 The Connecticut River which flows through the center of the state had been blocked by the British for almost two decades But in 1814 after the British had burned down many American buildings in Washington D C the American people called for war 3 In January 1815 news of the Treaty of Ghent had arrived putting an end to the conflict However it had also put an end to the run of bitter luck for Captain Riley 4 Captain Riley took on three Sages as crew members Justus Josiah and Aaron He had faith in Justus's nephew James Riley and he liked his intelligence industry and no nonsense attitude [Skeletons of the Zahara Proof](#) Dean King, 2003-11-13
