Skills In Neighbourhood Work:

Skills in Neighbourhood Work Paul Henderson, David N. Thomas, 2013 Completely rewritten and updated this fourth edition retains the practical information but sets it in a contemporary context The authors explain the skills knowledge and techniques needed to work effectively in a neighbourhood setting

Skills in Neighbourhood Work Paul Henderson, David N. Thomas, 2022-12-30 *Skills in Neighbourhood Work* is a practice textbook It explains the skills knowledge and techniques needed by community workers and other practitioners to work effectively in and with communities While the principles and methods it describes have stood the test of time the political economic and social changes which have taken place since the book was first published have made new editions essential Rewritten and updated to include new practice examples this fifth edition retains all the practical information needed by the student or practitioner but sets it in the contemporary context Including a European perspective and views from North America and Australia it covers Starting supporting and ending work with community groups Evaluation Data collection Goals and priorities Making contacts Group work Helping groups work with other organisations This invaluable textbook is essential reading for students and practitioners of community work

Skills in Neighbourhood Work Paul Henderson, David N. Thomas, 1987 **Skills in Neighbourhood Work - 2nd** Paul Henderson, David N. Thomas, 1987

The Well-connected Community Alison Gilchrist, 2009-07-22 Government policy is increasingly focused on the contribution that communities can make to civil society and democratic renewal This book demonstrates how informal and formal networks strengthen community capacity and improve cross sectoral working

Analysing Community Work Popple, Keith, 1995-09-01 Beskrivelse af hvad community work er s vel teori som praksis

Analysing Community Work: Theory and Practice Keith Popple, 2015-04-16

Community work is a unique and important activity that has the potential to help individuals groups and communities achieve change This brand new update of an established and acclaimed text explores and analyses different theoretical approaches to community work Written in a highly accessible style this book is grounded in practice issues and tackles political and theoretical issues head on New to the second edition Analysis of the work of New Labour Consideration of Coalition government policies for example the Big Society project and the impact of budget cuts A new international dimension throughout the text and an important new chapter on international community work New definitions of community explored to take into account a diverse population Increased emphasis on community work values skills and challenges Updated pedagogy including end of chapter summaries and reflective questions References the latest writings in the field Written by an established international expert this book will be valuable for students on qualifying programmes practitioners policy makers and commentators and those engaged in community work in all capacities *Analysing Community Work* provided a key text tackling issues of theory and practice in accessible ways for some two decades This second edition builds upon the strengths of the first updating the book to take account of the major changes that have been taking place since then both in

Britain and internationally Popple's critical consideration of the impacts of globalization neo liberalism changing technologies increasing inequalities and increasing concerns with environmental issues will be particularly welcomed This edition will be essential reading for those who read and appreciated the first as well as for a new generation of readers Marjorie Mayo Emeritus Professor of community development Goldsmiths University of London UK Popple's book was one of the key overviews of British community work when it first appeared in 1995 In the last few years the need for a revised and updated version has been increasingly obvious and Popple has now obliged The last twenty years have seen substantial changes in the political economic and organisational context within which community work operates and Popple has fully reflected this whilst remaining clear about its basic tenets and goals This is a highly welcome addition to contemporary community work literature Gary Craig Professor of Community Development and Social Justice Durham University UK *The community development reader* Craig, Gary, Mayo, Marjorie, 2011-05-18 Community development emerged as a recognisable occupational activity in the United Kingdom in the 1950s Since then whilst struggling to remain true to its basic values it has often been manipulated to serve differing policy and political purposes This unique Reader traces its changing fortunes through a selection of readings from key writers It will be invaluable to those pursuing community development careers for activists and for all those teaching training and practising community development **Community Work** Catherine Briscoe, David N. Thomas, 2021-11-07 The growth of interest in community work during the seventies was very marked But while much had been written on the actual practice of community work there was for too long a lack of British material on the vital subjects of useful theory training and the development of skills In this title originally published in 1977 the authors brought together for the National Institute for Social Work experienced teachers and practitioners of community work in an integrated and carefully structured textbook which would further understanding of the means through which community workers develop their knowledge and skills it would be widely welcomed by all those involved in aspects of community work as teachers students practitioners supervisors and as local authority training officers The first part of the book has four chapters on the principle means through which community workers develop their skills within their employing agencies Part two deals with theories and the contribution made to community work by the social sciences group work research methods and management and planning studies The last part of the book contains three papers which examine the major problems and issues in the placement learning experiences and assessment of students on field work *The Short Guide to Community Development* Alison Gilchrist, Marilyn Taylor, 2022-01-18 The third edition of this long established guide offers an invaluable authoritative and concise introduction to community development Fully updated to reflect changes in policy practice economics and culture it will equip readers with an understanding of the history and theory of community development as well as practical guidance
