Spy Killer L. Ron Hubbard, 2008-09-08 American Sailor Kurt Reid is a hothead and a hard case a man who hits first and asks questions later As scrappy and rough around the edges as Jimmy Cagney it's no wonder that when the ship's captain turns up dead it's Reid who takes the rap Falsely accused and under the gun Reid jumps ship and vanishes into Shanghai only to get caught in a web of intrigue betrayal and murder In a world where nothing is what it seems and everything is for sale he's soon out of his depth drawn into a spy game in which the winner takes all and the loser takes a knife to the back Will Reid live up to his reputation as the Spy Killer He'll have to learn the rules fast because with players like the sexy White Russian secret agent Varinka Savischna in the hunt the game is about to turn as seductive as it is sinister As a young man Hubbard visited pre Communist China three times where his closest friend headed up British intelligence In a land where communists nationalists war lords and foreign adventurers schemed for control Hubbard gained a unique insight into the intelligence operations and spy craft in the region a knowledge that informs stories like Spy Killer Vividly written super fast paced Ellery Queen

The Time Killers Greg Patmore,2008-10-04 Haven t you ever wondered where time comes from or what it s made of Does it go on endlessly or is there just a certain amount of it like grains of sand in an egg timer Is every bit of time the same as every other or are there different types here and there Why do some people struggle to cope if they have too much time whilst others never seem to be able to find enough What if time works differently for some people People like Timothy Swift for instance He s always trying to find some time to make time to buy a little time because he always has too much to do and never enough time to do it in But the funny thing is no matter how little time Timothy has he somehow gets everything done And remarkably even when he doesn t have a single moment to spare he can almost always find enough time to do one more thing And what about dreams Does time work the same in dreams

Chinese who claim it's a Russian trick For Stony Man it's the start of the ultimate nightmare as the two countries amass firepower and troops Soon more staggering explosions rock nations around the globe At the heart of the horror is stolen tech a nonnuclear Fuel Air explosive T bomb Cheap powerful and clean it's fallen into enemy hands As cities crumble under its force the teams track the covert and traitorous factions wreaking havoc in a game of world domination **Shadow War** Don Pendleton,2009-02-01 The war against terror is played by a different set of rules for the men and women of the elite unit known as Stony Man On the record they don't exist and plausible deniability is the first mandate if a mission goes sour Off the books the cyberteams and field commandos understand the risk and accept America's dirtiest missions without hesitation Intelligence has picked up chatter of the launch of an imminent strike of unknown origin and scope against the U S Code named Bellicose Dawn it involves Mexican drug runners jihadists and international funding Stony Man must navigate an unknown strike point fragmented information and a brewing political firestorm But soon it's enough to unleash the ultimate nightmare men down missing maybe dead and things going so bad so fast that the day every Stony Man member prayed would never happen may have arrived *Incendiary Dispatch* Don Pendleton,2012-08-07 When an embittered Norwegian vows payback for the black gold extracted from his family's territories by igniting nano thermite incendiaries strategically placed around the world the Stony Man team is sent on a do or die mission to stop this global crisis Armed Resistance Don Pendleton,2012-02-01 When the Oval Office needs covert rapid response to avert disaster Stony Man gets the call Handpicked the best of the best in cyber intelligence and commando warfare this elite squad fights by a code of duty and dedication to holding the line between the free world and violent extremists Sudan's political situation is a nightmare Guerilla forces specializing in human trafficking and black market arms rule in the violence torn region With members undercover inside a military arms depot in Mississippi weapons are being diverted to the rebels profiteering on human misery Able Team moves in stateside while Phoenix Force goes deep into the bloodiest regions of Sudan and Uganda It's a grim race to find a kidnapped CIA agent a cache of human cargo and an arsenal of stolen weapons bound for illegal sale Stony Man is hunting predators who kill for profit and pleasure battling long odds to bring some justice to a ruthless land

Killer's Law L. Ron Hubbard,2012-10-22 Sheriff Kyle of Deadeye Nevada is headed east to the nation's capital Like Dennis Weaver in the television series McCloud Kyle's about to discover that the law can be even wilder in the big city than in the Wild West It's a fact that hits home when he's the one accused of murder Kyle's come to the city to give a report to his senator on the misdeeds of Nevada's filthy rich copper kings But before he has a chance he's knocked unconscious later coming to alongside his senator now dead with Kyle's knife imbedded in the corpse Welcome to Washington D C where corruption intrigue and murder are all in a day's work Kyle's got no alibi no memory and apparently doesn't have a prayer unless he can find a way to outwit outfox and outmaneuver the masters of deception and double crosses in this police procedural thriller Much like Kyle L Ron Hubbard was born and bred on the western frontier and made his way east to

explore and experience life in Washington D C But unlike the sheriff Hubbard enjoyed his time in the capital where he went to college at Georgetown He came to know the ins and outs of the city as well as he knew the arroyos and canyons of the west giving him the kind of insights he needed to write stories like Killers Law some of the most carefully and beautifully crafted trade paperbacks of our time Mystery Scene
