Don't Slam The Door Holly Green, 2005-09 Life growing up in the Catskill mountains of New York **Slam The Trick** Kizzy Toussaint, 2011-01-28 It s a terrible thing to be a woman Cause a woman is a Terrible thing Gale White and her two best friends Myesha and Sinthia are successful African American women with healthy romantic relationships with their men Six months later all that changes One by one their men dump them then assume relationships with white women Gale and her friends do more than get angry They Slam The Trick Three women exact a clever and poignant retribution But when the men catch on they strike back with a vengeance The result is a battle that goes from the core of their emotional pain to a discovery of themselves Slam The Trick is a wickedly comic novel that takes an unflinching look at interracial relationships It is a funny and moving story of love race sex and personal triumph **Slam the Big Door** John D. MacDonald, 2014-06-14 When Mike Rodenska a former journalist and recent widower visits his old friend Troy Jamison in Florida he s shocked at what he finds For despite the parties the shapely women the devil may care air that surrounds Troy and his friends Mike can see a life slowly coming apart The only question is why Putting together the pieces of his friend s life and downfall turns an ordinary visit into a mystery that Mike Rodenska is compelled to solve **Don't Slam the Door!** Dori Chaconas, 2010 A cumulative rhyming tale of a slamming door which wakes a cat setting into motion an absurd chain of events and resulting in chaos *Don't Slam the Screen Door!* Janette Navickas Dehner, 2021-09-21 Don t Slam The Screen Door is a bedtime storybook inspired from a time before kids were lost to technology I wanted to write about adventures from my own memorable childhood beyond my own back door The hope is to motivate boys and girls each night one chapter and one adventure at a time to explore their surroundings with their young minds and imaginations Equally important was to model a reminder to dads and moms that it does not take much to stimulate a child s creativeness A little schooling never hurt anyone is the philosophy behind the twin s names which were intentionally chosen Selected as a strategically play of words by creating a tongue twister of sorts to get kids to articulate and identify slight word differences while reading I chuckle to think of my own grandchildren correcting my pronunciation when I am reading to them Also with our own names being similar in sound and spelling it was a life experience my twin sister and I personally identified with Foremost I wanted this to be a Christian based book weaving the simplicity of knowing and having a relationship with the Lord Placing bible scripture at the end of each chapter in faith the verse becomes a tangible teaching tool pointing to Our Father s Word In hope of initiating inquisitive minds to simply open discussion of wanting to know of the scripture s source the Holy Bible Don t Slam The Screen Door was truly inspired out of love for Our Father family and my sisters Juleen Jeanette and Joette God Bless Janette Navickas Dehner Body Slam: The Jesse Ventura Story Jake Tapper, 1999-05-15 In every arena Jesse Ventura puts a headlock on the competition now he s turning the country on its ear How did an outrageous outspoken boa wearing pro wrestler nab the title of Minnesota s governor in an overwhelming upset This is the question the nation is asking and

Washington journalist Jake Tapper provides the fascinating answers From Jesse Ventura s Navy SEAL days to his infamous wrestling years to his stunning political victory read the story of the Body a man who truly embodies the American Dream Get the real story on His intense training to become an elite Navy SEAL and his experiences overseas during the Vietnam War His lengthy career in the pro wrestling field from flamboyant pro wrestler to colorful commentator including his feuds with Hulk Hogan and Vince McMahon Jr Ventura s acting stints including a part in the film Predator How the Body mouthed his way to the top of shock radio His rise through the ranks of politics from mayor to governor and maybe beyond Ventura s political vision what he sees for Minnesota and the country And Much much more The Body Politic Will Never Be the Same with 8 pages of amazing photos *In Pursuit of the Slam* Mark Cripps,2024-06-19 In Pursuit of the Slam My Year Travelling to Tennis s Top Four Tournaments tells the story of the author s year out between jobs during which he attended all four of tennis s Grand Slam tournaments Unhappy in his corporate job tennis fan Mark Cripps decided to pack it all in and start again But a chance sighting of an old friend in an in flight magazine led to an idea Why not take some time out to travel organising the trip around tennis s Grand Slam tournaments He made a plan to attend the 1992 French Open Wimbledon the US Open and then returning to Australia in early 1993 where he had been based with American Express the Australian Open On the way he would visit places of interest catch up with old friends and visit other tournaments in the build up to each Slam including the Italian Open in Rome The book describes how the author organised the visits to each Slam once there securing tickets and watching the tennis daily A club tennis player the book also tells how the author entered a tournament on the new British Tour and the experience of facing opponents of a much higher standard Following the US Open a week spent at a tennis fantasy camp helped confirm the next steps he needed to take when his trip was over In Pursuit of the Slam My Year Travelling to Tennis s Top Four Tournaments is told in an anecdotal style including the story of the author s childhood introduction to sport where his mother s love of Wimbledon was so infectious A nostalgic look back at the professional tennis tours through the prism of a round the world trip the book will appeal to those interested in tennis especially the professional game back in the nineties and the history of British tennis in general those keen on travel anyone needing a change of job or career or those who just want to make the most of their interests *Theatre & War* Nandita Dinesh,2019-07-05 In Theatre she describes various projects that she has undertaken on the ground she theorizes strategies that might be useful to other practitioner researchers who are involved in similar work In this sequel of sorts Dinesh chooses to return to the same themes of theatre of war But this time she intentionally crafts her notes from afar From somewhere outside the field From somewhere outside the practice And yet a somewhere that is consumed by the field And the practice Through writing that seeks to do through writing that seeks to perform Dinesh use different voices in this book Voices that come from more traditional archival sources which are then re conceptualized as drama Voices that come from sources that occupy the space between archived and lived experience which are then shaped into creative vignettes Voices that come

from Dinesh's repertoire her own lived experiences that are then crafted as flash fiction about past present future collaborators By weaving together variously positioned experiences and voices through creative re interpretations Theatre it is also a book that could be performed
