Slavery Throughout History Primary Sources:

Slavery Throughout History Judson Knight, 2000 A comprehensive examination of the institution of slavery throughout the world from ancient Mesopotamia to the present day **A Primary Source History of Slavery in the United States** Allison Crotzer Kimmel, 2015 Uses primary sources to tell the story of slavery in the United States *Critical Thinking Using Primary Sources in World History* Wendy S. Wilson, Gerald Herman, 2004 Develops critical thinking and writing skills Prepares students for document based assessment Includes options for mock trials and debates **Slavery in America** Tonya Buell, 2003-10 Uses primary source documents narrative and illustrations to recount the history of slavery in the United States **Primary Sources in World History** James Farr, Patrick J. Hearden, 2023-03-13 This two volume collection of primary documents covers societies that developed writing systems in different geographical regions during that last 5 000 years While comprehensive in scope this reader focuses on a central theme the unequal allocation of wealth and power both within individual societies and between different polities ranging from small city states to large territorial empires The documents reveal that people living at different times and in different places have used similar methods to achieve similar political and economic objectives By reflecting uniformities as well as diversities in ideas and actions these documents undermine assertions of Western intellectual cultural or moral superiority These readings also show that the expanding supply of goods and services resulting from technological innovations has led to increasing social economic and political racial and gender inequality Selected to give students a deeper understanding of how and why inequalities have emerged in societies around the globe each document will be introduced by a brief explanation of its historical context And each document presented in chronological order will be followed by 3 or 4 review questions giving students an opportunity to test their understanding of its main points *A Primary Source History of the Colony of Rhode Island* Joan Axelrod-Contrada, 2005-12-15 Maps documents and artwork are used to introduce the history of Rhode Island to the time of the American Revolution *A Primary Source Investigation of Slavery* Xina M. Uhl, Tonya Buell, 2018-12-15 America s greatest shame has been its enslavement of millions of African Americans prior to their emancipation at the end of the Civil War in 1865 The experience of these individuals included backbreaking labor cruel punishments poverty lack of education and the separation of family members From the beginning of their bondage in Africa the lives of enslaved Africans is chronicled through books drawings advertisements political cartoons song lyrics and more in this thought provoking guide to a difficult time in the nation s past *Understanding U.S. Military Conflicts through Primary Sources* James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq

by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards
