Slavonic Translation Of The Apocryphal Infancy Gospel Of Thomas:

The Slavonic Translation of the Apocryphal Infancy Gospel of Thomas Thomas Rosén, 1997 [The Slavonic Translation of the Apocryphal Infancy Gospel of Thomas](#) Thomas Rosén, 1997 **Holy Terror: Jesus in the Infancy Gospel of Thomas** J.R.C. Cousland, 2017-11-16 The Infancy Gospel of Thomas or Paidika is one of the most unusual gospels in the Christian tradition. Instead of revealing the compassionate Jesus so familiar to us from the biblical Gospels, it confronts its readers with a very different Jesus: a child who sometimes acts like a holy terror, killing and harming others for trifling faults. So why is Jesus portrayed as acting in such an unchristian fashion? To address this question, Cousland focuses on three interconnected representations of Jesus in the Paidika: Jesus as holy terror, as child, and as miracle-working saviour. Cousland endeavours to show that despite the differing character of these three roles, they present a unified picture. Jesus' unusual behaviour arises from his growing pains as a developing child who is at the same time both human and divine. Cousland's volume is the first detailed examination of the Christology of the Infancy Gospel of Thomas and provides a fresh and engaging approach to a topic not often discussed in representations of Jesus.

Survival and Success of an Apocryphal Childhood of Jesus Marijana Vukovic, 2022-04-19 This book explores the transformations of the Infancy Gospel of Thomas in the Middle Ages. It also connects the different representations of children, childhood, everyday and family life in the distinct textual versions to the ancient and medieval settings in which they appear. The text survived and influenced ideas and mentalities that shaped medieval minds in the East and the West, but also enhanced anti-Jewish sentiments.

[The Non-Canonical Gospels](#) Paul Foster, 2008-09-11 This book brings together a collection of chapter-length treatments on the most significant of the non-canonical gospels. A particular strength of the volume is that it draws upon the research of leading experts in the field and clearly and concisely communicates the most hotly contested issues surrounding each text. While a key function of each chapter is to make the current academic debates accessible to a wider audience, these treatments are not simply overviews or survey articles. They also present fresh perspectives on a number of points and critically assess the most recent trends in scholarship. As such, they will provide an ideal entry point for advanced undergraduate courses and taught Masters programmes. The structure of the book is divided up in an easily useable format. There is an introduction which underscores the significance of the non-canonical texts both for the original readers and for contemporary audiences. This chapter by Keith Elliott also traces important moments in the reception of a number of these texts both in art and literature. Next follows the main sequence of chapters dealing with individual texts. Texts such as the Gospel of Thomas, the Gospel of Peter and the Gospel of Mary are treated first due to the impact they have had to varying degrees on Historical Jesus research. Other texts are grouped in various subgroups: the two infancy gospels follow each other, and the more fragmentary texts are also closely linked in the arrangement. The book presents one of the most comprehensive and up-to-date discussions of a range of texts that continue to be of interest to scholars and wider readers. The discussions should clarify a number of popular

misconceptions and allow for a more informed debate The scholars who contribute to this collection represent an eclectic range of views and theological outlooks No attempt has been made to impose a prescribed perspective Rather the leading experts have been consulted to produce fresh and stimulating treatments The book will include contributions from Andrew Gregory Oxford Christopher Tuckett Cambridge April DeConick Rice and Simon Gathercole Aberdeen among others
