Sleeper Wakes H. G. Wells,2020-04-07 From the author of The Invisible Man and The War of the Worlds Everyone who has ever read When the Sleeper Wakes remembers it George Orwell One of the founding fathers of science fiction H G Wells is known for such landmark novels as The Time Machine and The Island of Doctor Moreau In When the Sleeper Wakes he sends a nineteenth century man hurtling into an unfamiliar dystopian future In 1890s England Graham a fanatic socialist and author of prophetic writings takes medication for his insomnia and is plunged into a deep sleep that lasts two hundred years He awakens in a domed twenty second century London in which he has become due to the compound interest on his bank accounts the richest man in the world But as a nightmarish caste system is revealed Graham realizes all his worst fears for the future have come to fruition especially when he discovers a lower class of workers who spend their entire lives underground a species that will soon evolve into the Morlocks of Wells s The Time Machine Even in the 21st century Wells still speaks to our fears and dreams The Washington Post Nothing is more striking about Mr Wells than his power of lending freshness and vitality to some well worn formula of fiction The Spectator The Sleeper Awakes a Revised Edition of When the Sleeper Wakes

The Sleeper Awakes H. G. Wells,2018-06-26 The Sleeper Awakes A Revised Edition of When the Sleeper Wakes by H G Wells A troubled insomniac in 1890s England falls suddenly into a sleep like trance from which he does not awake for over two hundred years During his centuries of slumber however investments are made that make him the richest and most powerful man on Earth But when he comes out of his trance he is horrified to discover that the money accumulated in his name is being used to maintain a hierarchal society in which most are poor and more than a third of all people are enslaved Oppressed and uneducated the masses cling desperately to one dream that the sleeper will awake and lead them all to freedom We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **H.G.
