Thomas Wallace Knox

Sleeping Around:

The Young Nimrods Around the World Thomas Wallace Knox,1882 Range of Light Valerie Miner,2014-08-19 Two old friends who have not seen each other for decades spend a week hiking through the stunning scenery of California's High Sierra Twenty five years ago a group of five high schoolers trekked through the High Sierra Now two of them lesbian Kath and straight Adele come back to repeat their journey and renew their friendship In chapters that alternate between the women's voices they reveal their pasts their thoughts and their reactions both to the scenery and to each other For Kath the sublime topography of the Sierra is inspiring and invigorating Adele is more trepidatious Over the course of their journey up to High Country old stories tensions dreams and disappointments come to the surface A unique study of the complexity of the bonds between women this transporting book written with elegance and restraint is among Miner's finest work *Sleep Medicine* John M. Shneerson,2009-02-12 On average people spend one third of their life sleeping An understanding of the physiology and pathophysiological changes that take place during this time is therefore essential to the medical care of patients Sleep disorders can arise from a variety of causes including respiratory psychiatric and neurological conditions as well as pain and lifestyle changes Consequently their understanding is pertinent to a wide range of clinicians who require an overview of their diagnosis and treatment Written by one of the UK's leading authorities on sleep medicine *Sleep Medicine A Guide to Sleep and its Disorders* presents a practical guide to the clinical problems related to sleep disorders An experienced author John Shneerson writes concisely and presents the information in a most accessible way The text is clearly organised and full use has been made of tables and line diagrams Whilst the body of the text is clinical in approach the scientific basis of sleep and sleep medicine and the technical aspects of sleep investigations are explained fully The book is divided into three sections The first group of chapters considers the fundamentals of sleep the effects of drugs on sleep and how to assess sleep complaints The main body of the book consists of chapters on individual sleep disorders Each of these has a structured approach outlining both assessment and treatment Insomnia excessive daytime sleepiness awareness during sleep and behavioural abnormalities are covered The final chapters deal with the important respiratory consequences of upper airway dysfunction changes in the control of breathing during sleep and the social implications of sleep problems Sleep medicine is a fast developing discipline which interfaces with many of the medical specialties *Sleep Medicine A Guide to Sleep and its Disorders* enables doctors and other health professionals to access recent advances ensuring that their patients receive the optimum treatment for their sleep disorders *The Confessions of a Misfit* Mokokoma Mokhonoana,2016-10-18 Do not allow your love for or hatred of America be the only reason you read or do not read this book because it has absolutely nothing to do with or say about the U S As one reader of the book has remarked As he explores various subjects Mokhonoana questions and challenges the status quo of society and promotes deeper and more critical thinking as well as a simpler way of life without being inundated with the plethora of useless and mundane information that we are bombarded with in our modern
