Sleeping Bones A Kate Delafield Mystery:

Sleeping Bones Katherine V. Forrest, 2013-08-01 LAPD Detective Kate Delafield has a new iron-willed female lieutenant, a tough new partner who may turn out to be a much-needed ally. She also has a dangerous new case: A reclusive old man has been brutally slain at the La Brea Tar Pits. The unusual investigation could uncover the truth of humanity's ancient past and at the same time expose the corruption and violence of the present. And everyone involved, from an alluring scientist with a dark secret to a treacherous CIA officer with his own agenda, is suspect. With more at stake than just a pile of bones, Kate has to gather together the pieces of a timeless puzzle and make sure they all fit before a remorseless killer decides to make her a part of history. **Delafield** Katherine V. Forrest, 2022-04-01

The most celebrated detective in lesbian literature returns in the most fateful case of her career. Kate Detective Joe Cameron said there was always the possibility that like most threats they were just threats. Kate finished for him. She knew better. Had known from the start this was as real as death. Death is now on her doorstep. Not even her loyal LAPD colleagues can protect her from an attack that may come from anywhere anytime. Four years retired, Kate Delafield has a twenty-year-old case roaring back on her, a case from which she had recoiled, withdrawn herself. A homophobic homicide far too reminiscent of a recent haunting life-changing investigation of the murder of a young lesbian at the Nightwood Bar. Now she suffers in secret, knowing she is personally culpable for the mishandling of evidence. She has also begun to understand how the roads she has traveled have led her to this day. The key decisions about the conduct of her life and her police career that have brought her directly to this time, this place in the high desert where she has taken herself. All she can do now she resolves is protect as best she can the people she loves most, especially Aimee, from this threat. And until her time runs out, she can go back and investigate, determine who actually ended the life of fifteen-year-old April Shuster. But events, people intervene. New people in her present life, some from her past. And they will take her in the most unexpected of directions. *Out*, 2001-07

Out is a fashion style, celebrity, and opinion magazine for the modern gay man. **The Gay Detective Novel** Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence, yet the mystery genre was a century old before it featured its first gay main character in a novel. Since then, gay and lesbian detective fiction has been one of the fastest-growing segments of the genre. It incorporates gay and lesbian cultural elements and offers crossover appeal. Its authors call upon a century of development in the mystery genre while providing new, more accurate images of lesbians and gay men than generally found in mainstream literature and popular media. This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand-alone novels published since the early 1960s. Part I is an overview that describes how these novels make gay and lesbian life visible and forge new, powerful images. It also examines how they fit into the larger history of mystery fiction. The series analyses in Part II are grouped according to the type of main character: police officer, private investigator, amateur sleuth, etc. Each section discusses main and secondary characters of that type, characteristic themes for the group, and more.

The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes

The Top Books of the Year Sleeping Bones A Kate Delafield Mystery The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Sleeping Bones A Kate Delafield Mystery : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sleeping Bones A Kate Delafield Mystery : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
