The Sleeping Prince Melinda Salisbury,2016-02-04 In Lormere the queen is stirring up war and has unleashed the sinister Bringer Betrayed by the one she loves Twylla is in self imposed exile But for how long The people need a leader They need something to believe in whether it s true or not **Spain - The Culture** Noa Lior,Tara Steele,2002 Introduces Spain s folk music and dance such as flamenco its art and architecture holidays and festivals and religions **Sleeping Beauty: A Play for Young Audiences** Theodora DuBois,2013-11 A forgotten invitation to the Princess christening sets off a vexing chain of events in this fast paced sharp witted version of the favorite tale With her signature cleverness Dubois retells the classic story with her own imaginative twists in this timeless story of the lovely Princess the evil spell and the handsome Prince who awakes her from her enchanted slumber All the familiar characters are present drawn with new life and interesting characterizations that set this Sleeping Beauty apart Produced by Cornell University and the Workshop Players Dubois play continues to captivate audiences with its originality Published by Classic Youth Plays preserving the best in innovative children and youth theatre including plays that broke new ground pioneering playwrights and plays that have stood the test of time *On Marilyn Monroe* Richard Barrios,2023 She was born nearly a century ago and has been gone for well over half that time The body of work she left behind is of limited size and in some cases debatable quality The environment in which she thrived popular entertainment in the 1950s is a distant memory if that Those are indisputable facts Why is it then that they seem so immaterial How is it that the phenomenon continues unabated that the iconography and mythology only seem to increase Why all the interest and speculation and merchandising and why all the documentaries and miniseries about her Plus to cut a little closer all those shelves of books With Marilyn Monroe there is never one single answer To start with one of the most obvious some of it has to do with the element of tragedy the special kind that crashes in when a life of magnetic achievement and renown is cut short with miserable suddenness Alexander the Great Joan of Arc Byron and Keats Valentino Hank Williams James Dean the Kennedys Malcolm X Dr King Joplin and Hendrix and Morrison Elvis Princess Diana Michael Jackson How natural to mourn how easy to speculate on what could have been Monroe offers unusually ripe territory for this with her blatant rapid fire explosion into the world s consciousness the tumult and visibility of her private and professional paths and the sharply cut off way she died overlaid with just enough ambiguity to cause some people to wonder about the circumstances From there eventually and alas to an unseemly franchise based on conjecture about that death with most of the ruminations drenched in paranoia and personal agendas *When Marilyn Met the Queen* Michelle Morgan,2022-05-03 In July 1956 Marilyn Monroe arrived in London on honeymoon with her husband Arthur Miller to make *The Prince and the Showgirl* with Sir Laurence Olivier It was meant to be a happy time I am dying to walk bare headed in the rain I think England sounds adorable Marilyn Monroe Marilyn would work during the day at Pinewood Studios in Iver Heath while Arthur would write Then in the evening the couple would be able to relax together in their private

English country cottage But the cottage was a mansion in Englefield Green and Marilyn used to living in tiny hotel rooms and apartments felt herself being watched She was by several of owner Lord Drogheda s servants who were selling stories to the papers And when filming began all did not go as hoped Over time Marilyn grew to hate Olivier the feeling was mutual Marilyn found herself a curiosity for the frequently hostile British press She took solace in bike rides in Windsor Great Park in small acts of kindness from members of the public and in a growing fascination with Queen Elizabeth whom she longed to meet and eventually did

The Life of the Buddha - Part One and Part Two REV. SIRIDHAMMA, This short introduction of the Life of the Buddha rendered as Part I of a two volume work was compiled by the Rev Siri Dhamma when he was a novice monk in the Brickfields Buddhist Temple After the script had been completed the Venerable H Guna ratna and Mr Lim Eng Chuan went through the details and each gave suggestions and ideas which had since then been incorporated and used to complete this valuable booklet This publication meets a long felt need for a suitable text book for Lower Secondary School standards that deals particularly with the period of earthly existence of the Buddha Although the account of the Life in the book is set down very briefly I believe that this presentation offers a good deal of material for the study of our Great Master s Life Teachers of the Dhamma classes in the various Buddhist Sunday Schools and even other religious institutions may elaborate on certain lessons to their satisfaction in their classes when this booklet is used as a textbook Since the material dealt with is very fundamental and comprises the basic knowledge desired of a junior beginning the study of Buddhism it is recommended that teacher make sure the students have grasped the principles

involved in each topic or lessons by getting the class to answer questions set down at the end of every chapter The omission of legend and the absence of accounts of miracles from the compilation is intended to indicate that the contribution of the Buddha to world Happiness and His Supreme Enlightenment when he was born a man had successfully bridged the gap between man and divinity is more than enough for anyone who seeks the Truth to appreciate and accept the Method of the Great Master without having to call on miracles and legends to highlight His life As a compensation for the many pages of words and words there are several good illustrations pertaining to the Life of the Buddha I believe our young readers will be pleased with these illustrations as they have been specially selected for the book having relevant bearing on the period the custom as well as the dignity of the occasion for each topic represented Many of the illustrations are by courtesy of the Buddhist Information Centre Sri Lanka Thanks are due to the Buddhist Missionary Society for undertaking the publication of the two volumes and for meeting the cost of printing
