Teaching Amidst The Neon Palm Trees:

Teaching Amidst the Neon Palm Trees Lee Ryan Miller, 2004-02-27 A SHOCKING INDICTMENT OF OUR SYSTEM OF HIGHER EDUCATION AND THE POLITICS THAT PERMEATE IT Raymond Shaffer Nevada State Senator Lee Miller was a popular young professor in Las Vegas who thought he was on the fast track to tenure He had created an innovative study abroad program with the help of a distinguished U S senator and had found funding for needy students wishing to participate It was just his first year at the college and the newspapers already had reported on his work Little did he know that someone had other plans for the money earmarked for the needy students someone who would stop at nothing to crush Millers plans This true story reads like a novel Miller weaves an amusing tale of teaching at a community college in Sin City with the unpredictable twists and turns of a scandal involving some of the most powerful figures in the state a scandal that threatens to end the careers of several administrators at the college This book is extremely entertaining and very accurate It is a very good read Steve Sisolak Regent University and Community College System of Nevada THIS IS AN IMPORTANT BOOK IT SHOULD SERVE TO PREVENT SUCH MADNESS FROM OCCURRING AT OTHER COLLEGES Alexander Greenfeld former Professor University of California at Berkeley Graduate School of Journalism LEE RYAN MILLER has taught political science and economics for more than a decade at colleges and universities in the United States and Japan He is the author of two political science books He also has written two epic fantasy novels as yet unpublished He resides in Modesto California For more information visit his website *Research, Boundaries, and Policy in Networked Learning* Thomas Ryberg, Christine Sinclair, Sian Bayne, Maarten de Laat, 2016-08-18 This book presents cutting edge peer reviewed research on networked learning organized by three themes policy in networked learning researching networked learning and boundaries in networked learning The policy in networked learning section explores networked learning in relation to policy networks spaces of algorithmic governance and more The boundaries in networked learning section investigates frameworks of students digital literacy practices among other important frameworks in digital learning Lastly the research in networked learning section delves into new research methods in the field **Democratic Efficiency** Lee Ryan Miller, 2004-10-07 This ground breaking book demonstrates that the decentralized decision making processes characteristic of democracies are responsible for making them the most successful countries in the world Part I draws upon literature from fields as diverse as economics computer architecture and industrial organization to demonstrate that the more equally power is distributed in society the closer government policy comes to maximizing aggregate social welfare It also analyzes political business cycles economic growth rates trade protectionism and military spending levels throughout the world presenting a wealth of cross national statistical evidence in support of the theory of democratic efficiency Part II takes a critical look at the United States Congress It details the organization of a congressional office and provides a fascinating minute by minute account of a week in the life of a member of the House of Representatives It explains why the very organization of the American political system

tends to short circuit the intentions of its participants however noble they might be This scope of this book is so broad and its conclusions so sweeping that it belongs on the reading list of courses in American politics political theory comparative politics international relations and political economy The SAGE Handbook of Neoliberalism Damien Cahill,Melinda Cooper,Martijn Konings,David Primrose,2018-02-26 Over the last two decades neoliberalism has emerged as a key concept within a range of social science disciplines including sociology political science human geography anthropology political economy and cultural studies The SAGE Handbook of Neoliberalism showcases the cutting edge of contemporary scholarship in this field by bringing together a team of global experts Across seven key sections the handbook explores the different ways in which neoliberalism has been understood and the key questions about the nature of neoliberalism Part 1 Perspectives Part 2 Sources Part 3 Variations and Diffusions Part 4 The State Part 5 Social and Economic Restructuring Part 6 Cultural Dimensions Part 7 Neoliberalism and Beyond This handbook is the key reference text for scholars and graduate students engaged in the growing field of neoliberalism *Confessions of a Recovering Realist* Lee Ryan Miller,2004-10-07 Realist theory has dominated the study of international relations for more than half a century In this provocative book Lee Ryan Miller demonstrates that each of the fundamental assumptions of realism is seriously flawed Then he pulls together the strands of a number of phenomena that cannot be explained by realism the development of the European Union the phenomenon of democratic peace and the economic success of democratic states to develop a liberal theory of international relations To Live or to Perish Forever Nicholas Schmidle,2010-03-02 A gritty lively and revelatory look inside the crucial and volatile nation of Pakistan In *To Live or to Perish Forever* Nicholas Schmidle takes readers to Pakistan s rioting streets to Taliban camps in the North West Frontier Province and on many surprising adventures as he provides a contemporary history of this country long riven by internal conflict With the intimacy and good humor available only to the most fearless and open eyed reporters Schmidle narrates what was arguably the most turbulent period of Pakistan s recent history a time when President Pervez Musharraf lost his power and the Taliban found theirs and when Americans began to realize that Pakistan s fate is inextricably linked with our own In February 2006 Schmidle had traveled to Pakistan hoping to learn about the place dubbed the most dangerous country in the world It was while there that he befriended a radical cleric who became an enemy of the state and was killed came to crave the smell of tear gas because it assured him that he was sufficiently close to the action and in the end was deported by the Pakistani authorities managed to get back into the country and was chased out a second time Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern
