## **Teaching Children Dance Becoming A Master Teacher:**

*Teaching Children Dance* Theresa Purcell Cone, 1994 Grade level 1 2 3 4 5 6 e p t      **Teaching Children Dance** Theresa Purcell Cone, Stephen Leonard Cone, 2005 *Teaching Children Dance* contains a practical framework and approach for presenting creative dance lessons to children in kindergarten to fifth grade. It combines essential dance content appropriate for an elementary level program with detailed descriptions of strategies. Featuring 20 dance learning experiences, the book has been updated and expanded to reflect educators' renewed commitment to making dance an integral part of children's education. You'll learn to view dance as an art form while improving your teaching and increasing your confidence. You'll also learn the benefits of introducing dance to elementary students, the most effective ways to teach it, and what to teach and when to teach it. In part I, you'll find a wealth of new content including ideas on how to design and present a dance learning experience composed of units and lessons, suggestions for classroom management, updated assessment content, and strategies for interdisciplinary connections. Part II presents 20 dance learning experiences reorganized for easy reference into two categories: kindergarten to second grade and third to fifth grade. These ready-to-use experiences walk you step by step through the dance process, beginning with an introduction and ending with a dance. Use experiences from either category as a series or dance unit; either way, you'll set a welcoming environment for learning and creating. Other features include the following: Questions for reflection at the end of each chapter encourage teachers to apply the content to their own teaching style and preferences. Nuts and bolts for presenting dance learning experiences ensure adherence to national and state standards. New photographs and illustrations make the book visually attractive and show the ideas presented in action.

**Teaching Children Physical Education** George Graham, 2008. Contains brief vignettes of elementary school physical education teachers demonstrating some of the teaching skills described in the book.      *Teaching Children Dance* Theresa Purcell Cone, Stephen Leonard Cone, 2012. In this updated third edition, respected authors Purcell Cone and Cone identify how dance experiences assist children in cultivating 21st-century skills of creative thinking, collaboration, communication, global awareness, and self-direction. The authors present dance as a mode of learning that involves the whole child, using the body and the senses to gather information, communicate, and demonstrate conceptual understandings. *Teaching Children Dance* presents the fundamentals of program construction and delivery, guidelines on tailoring a dance program to fit various teaching situations, and advocacy strategies for maintaining and developing a program. Sample unit plans as well as ideas for planning yearlong unit plans and lesson outlines are included. Readers will find protocols for maintaining a safe and productive learning environment, as well as strategies for encouraging students' feedback, demonstrations, and observations. *Teaching Children Dance* presents 31 challenging and enjoyable dance experiences. These ready-to-use learning experiences are divided into 12 activities for children in kindergarten through second grade and 11 activities appropriate for students in third through fifth grade. Eight dance experiences designed for inclusive or self-contained dance classes are also detailed.
