**Communication Skills: How to Increase Your Reading Speed** Pramila Ahuja & G.C Ahuja,2013 An invaluable Guide to the art of rapid reading In today s fast moving world time is always a problem Yet we have to read in order to keep up with what is going on around the world Speed reading is what will tide us over In this book you will learn how to skim through the pages of a book passing over what is unnecessary You will also widen your span of recognition and comprehend all that is said      Teaching ESL/EFL Reading and Writing I.S.P. Nation,2008-10-15 Using a framework based on principles of teaching and learning this guide for teachers and teacher trainees provides a wealth of suggestions for helping learners at all levels of proficiency develop their reading and writing skills and fluency By following these suggestions which are organized around four strands meaning focused input meaning focused output language focused learning and fluency development teachers will be able to design and present a balanced program for their students Teaching ESL EFL Reading and Writing and its companion text Teaching ESL EFL Listening and Speaking are similar in format and the kinds of topics covered but do not need to be used together Drawing on research and theory in applied linguistics their focus is strongly hands on featuring easily applied principles a large number of useful teaching techniques and guidelines for testing and monitoring All Certificate Diploma Masters and Doctoral courses for teachers of English as a second or foreign language include a teaching methods component The texts are designed for and have been field tested in such programs      *Teacher's Manual for the Pathway to Reading* Bessie Blackstone Coleman,James Fleming Hosic,1925      Forum ,1991      **How to Read Effectively and Efficiently** G. C. Ahuja,Pramila Ahuja,1991-09-01 Provide useful insight into the principle of accurate reading Evaluates the characteristics of a good reader Offer handy tips to improve reading skills Cover      *Present and Future Trends in TEFL* María Elena García Sánchez,2001-06-04 The aim of this book is to develop a framework for describing the field as it currently exists together with well established views As far as possible the book describes rather than prescribes to avoid taking up any single approach or theory regarding what constitutes the legitimate approach to TEFL research Of course the personal views of the authors will colour the account provided as it is imposible to separate description from interpretation Thus in a way this book involves the theories beliefs knowledge methods and practices of foreign language teachers and how these can enhance teacher education This book is planned for pre service or in service teachers of a foreign language at primary secondary or tertiary levels although the criterions examined are useful to teachers of English as a foreign language teacher trainers or modern language teachers involved in teaching any language whether in Spain or overseas Our main purpose is to help readers to help themselves Accordingly the reader is encouraged to be engaged in an examination of foreign language teaching and learning in hope of improving his her practice and making language teaching more controllable more

interesting and more effective The chapters are organized into four sections In Section I three chapters describe some perspectives in teacher education In the first chapter Jos M Vez focuses on the hypothesis that the key to producing well qualified EFL teachers is to greatly strengthen their professional learning across the continuum of a career in the foreign language classroom He emphasizes the fact that foreign language teaching must become a learning profession in order to prompt greater learning among foreign language students and describes the innovative aspects of foreign language teacher education In the second chapter Sheena Davies provides an overview of language teacher education today with particular reference to English language teaching discusses some current issues associated with the field and gives notice of her experience working with both native speaker and non native speaker teachers of English from all over the world on a variety of in service and pre service courses and seminars In chapter 3 we examine the perspectives on teacher thinking and teachers beliefs in general and about language learning in particular **Writers Directory** NA NA,2016-03-05
