Teaching Literature in Modern Foreign Languages Fotini Diamantidaki, 2019-04-04 From plays to poetry Le Petit Nicolas to the Association for Language Learning ALL Literature wiki this book shows trainee teachers of MFL teachers in schools teacher educators how literature can be an essential tool for developing students cultural awareness as well as language skills With contributions from Ruth Heilbronn Jane Jones and other leading scholars it covers a wide range of approaches including looking at how to support students to develop the skills they need to read and discuss texts and how to use stories as a pedagogic tool rather than just a way to develop reading skills Examples of teaching French German Japanese Mandarin and Spanish are used throughout but the book draws together resources and strategies for use in teaching all modern foreign languages Supporting students to develop into creative reflective teachers this book offers support for readers to develop their own tasks for their pupils and questions throughout to keep them engaged and encouraging them to critically

engage with the content. Seemingly daunting articles are made much more approachable for readers with windows on research which provide a summary of relevant research papers with full reference details for follow up. **On Teaching Literature** Jane Stouder Hawley, 1967 **Teaching Literature in the Context of Literacy Instruction** Jocelyn A.

Chadwick, John E. Grassie, 2016. Jocelyn Chadwick and John Grassie explore how the familiar literature we love can be taught in a way that not only engages students but does so within the context of literacy instruction which reflects the needs of today's students. They address complex questions secondary English teachers wrangle with daily: where does literature live within the Common Core's mandates? How can we embrace informational texts in our literature classrooms? And most importantly, how can we help students recognize how canonical works are relevant to them. **Response & Analysis** Robert E. Probst, 2004. In this fully updated second edition of *Response and Analysis*, Robert Probst leads you to fresh methods that build lifelong lovers of reading by opening your literature classroom to the power of student-driven interpretation and analysis. The second edition is chocked full of everything you need to plan and build a curriculum that initiates interpretative and critical conversations with and among your students while exposing them to a variety of genres, conversations that encourage students to be active, enthusiastic readers. Probst's updates and revisions speak directly to today's busy teacher, offering a clear, coherent rationale for a more humane approach to literature teaching, workshop activities that encourage adolescents to formulate articulate responses to texts and that fit neatly into your existing curriculum, extensive new suggestions for testing and evaluation in a standards-based education environment, complete with a variety of assessment rubrics and tools, fresh ideas for utilizing television and film to bolster print literacy and make students more critically astute viewers, a fully revised and updated discussion of contemporary young adult literature including new examples, a compendium of online and print YAL resources, and a bibliography of the latest research and professional writing on the subject. Teachers who have long trusted Probst's techniques for engaging student readers will be excited to find that *Response and Analysis*, Second Edition, invites them into a new dialogue about teaching literature while new readers will discover how this comprehensive guide uses best practice literature instruction to help teens make the most of the magical moments they share with authors. *Less is More* Kimberly Campbell, 2007. *Less Is More* is full of powerful ideas for teaching with short, provocative text. This book broadens and extends our available teaching tools and materials and can help engage all students. It is a valuable resource for language arts teachers. Cris Tovani. Language arts teachers want all of their students to love literature and embrace the novels they assign. The classroom reality is that many students are not ready or motivated to immerse themselves in an entire novel. In order to reach and engage all students, teachers need to look beyond novels alone and embrace a richer variety of literature. In *Less Is More*, Kimberly Hill Campbell draws on research as well as her own classroom experiences to show how short texts engage a wide range of middle and high school students. She shares her discovery of the power of short texts to support her students' skills as readers, writers, and students of literature. Kimberly

shows how short texts can be integrated into the curriculum without sacrificing required novels Chapters examine different genres of short text such as short stories essays memoir and graphic novels Each chapter provides reading writing and response strategies as well as a broad selection of short text resources that have proven effective with a wide range of students
