conveys Maezumi Roshi's unique spirit and teaching style as well as his timeless insights into the practice of Zen. Never satisfied with merely conveying ideas, his *teisho* (the Zen talks he gave weekly and during retreats) evoked personal questions from his students. Maezumi Roshi insisted that his students address these questions in their own lives. As he often said, Be intimate with your life. The readings are not teachings or instructions in the traditional sense. They are transcriptions of the master's *teisho*, living presentations of his direct experience of Zen realization. These *teisho* are crystalline offerings of Zen insight intended to reach beyond the student's intellect to her or his deepest essence.
