Grade Band (Select K-3 or 4-8):			
Universal Screening	Universal screening is the first step to finding out which students are experiencing reading difficulties and who might need extra help. https://www.readingrockets.org/article/test-practice-rtc-universal-screening	Universal screening is usually done at the beginning of the school year in K-3 rd grade (2013). Another screening will be done at mid-year to see how the student is doing and if they need more interventions or not.	Pros: This can help a teacher find out exactly what the student needs to succeed. Cons: If the student does not improve through each screening the teacher may have to find more ways to help. This may cause the student to fall far behind the rest of the class.
