Teaching Holocaust Literature:

Teaching and Studying the Holocaust Samuel Totten, Stephen Feinberg, 2009-11-01 Originally Published in 2000 by Allyn Ida E King Distinguished Visitor Professor of Holocaust Studies Richard Stockton College and Former Director of Research at the United States Holocaust Memorial Museum There are many scholars who are wont to criticize the teaching of the Holocaust Many journalists critique what they regard as kitsch or trendiness All critics of contemporary Holocaust education would do well to read this book One cannot fail to be impressed by the quality of its learning and the seriousness of its purpose It is a wonderful place for teachers to turn as they contemplate teaching the Holocaust an open invitation to learn more and teach more effectively Barry van Driel Coordinator International Teacher Education Anne Frank House Amsterdam Teaching and Studying the Holocaust is an invaluable resource for any teacher wanting to address the complex and sometimes overwhelming history of the Holocaust in the classroom The book offers a multitude of sensitive and responsible ways of dealing with the issue of the Holocaust It succeeds in showing teachers very clearly how the study of the Holocaust is not just a topic for history teachers but for teachers across the curriculum Dr Nili Keren Kibbutzim College of Education Tel Aviv Israel Teaching about the Shoah is one of the most complicated tasks for educators Indeed teaching and studying this history raises unprecedented questions concerning modern civilization and presents teachers and students with tremendous challenges Samuel Totten and Stephen Feinberg have created a volume that provides educators with essential information and new insights regarding the teaching of this history and in doing so they assist educators to face the aforementioned challenges head on Teaching and Studying the Holocaust does not make the task easier but it does make it possible Samuel Totten is currently professor of Curriculum and Instruction at the University of Arkansas Fayetteville Prior to entering academia he was an English and social studies teacher in Australia Israel California and at the U S House of Representatives Page School in Washington D C Totten is also editor of Teaching Holocaust Literature published by Allyn Bacon Stephen Feinberg is currently the Special Assistant for Education Programs in the National Institute for Holocaust Education at the United States Holocaust Memorial Museum With Samuel Totten he was co editor of a special issue Teaching the Holocaust of Social Education the official journal of the National Council for the Social Studies For eighteen years he was a history and social studies teacher in the public schools of Wayland MA

Teaching Holocaust Literature and Film R. Eaglestone, B. Langford, 2007-12-17 The representation of the Holocaust in literature and film has confronted lecturers and students with some challenging questions Does this unique and disturbing subject demand alternative pedagogic strategies What is the role of ethics in the classroom encounter with the Holocaust Scholars address these and other questions in this collection

Meaningful Encounters Paula Ressler, Becca Chase, 2019-04-13 Teaching about the Holocaust presents one of the most formidable challenges teachers face Meaningful Encounters is Paula Ressler and Becca Chase's contribution to the efforts of those educators who wish to meet this challenge more knowledgeably and effectively It tells the story of a unique inquiry

based English teacher education course focused on Holocaust literature from several genres that integrated literacy pedagogies and literary criticism with historical philosophical psychological and political theories and contexts The book involves the reader in the complicated tangle of Holocaust education critically illuminating how difficult this work is but also demonstrating how teachers can introduce their students responsibly and ethically to this perennially relevant body of literature The authors offer no facile solutions to the obstacles and pitfalls inherent in teaching this literature They raise questions pose problems consider and analyze how participants responded to issues that emerged and suggest alternative approaches The authors recount the students and teacher s unsettling and enlightening experiences failures and successes By following along preservice educators will be able to conceptualize discuss and practice and inservice teachers and teacher educators rethink how to teach Holocaust and other literatures about genocide and mass atrocities in culturally relevant and meaningful ways today

Meaningful Encounters Paula Ressler, Rebecca Chase, 2019 The book helps preservice and inservice teachers and teacher educators consider how to teach Holocaust and other literatures about genocide and mass atrocities

Lauckner, Miriam Jokiniemi, 2000-09-01 Increasingly German Studies programs include courses on the Holocaust but suitable course materials are often difficult to find Teachers in higher education will therefore very much welcome this volume that examines and reflects both the practical and theoretical aspects of teaching about the Holocaust Though designed primarily by and for North American Germanists and German Studies specialists this book will prove no less useful for teachers in other countries and associated disciplines It presents and describes successful Holocaust related courses that have been developed and taught at U S and Canadian colleges and universities demonstrating the depth breadth and variety of such offerings while remaining mindful of the instructor's special moral responsibilities Reflecting as it does the innovative Holocaust pedagogy in North American German and German Studies this collection serves the needs of educators who wish to revise or update their existing Holocaust courses and of those who are seeking guidance ideas and resources to enable them to develop their first Holocaust course or unit *Teaching the Literature of Today's Middle East* Allen Webb, 2012-03-15 Providing a gateway into the real literature emerging from the Middle East this book shows teachers how to make the topic authentic powerful and relevant Teaching the Literature of Today's Middle East Introduces teachers to this literature and how to teach it Brings to the reader a tremendous diversity of teachable texts and materials by Middle Eastern writers Takes a thematic approach that allows students to understand and engage with the region and address key issues Includes stories from the author's own classroom and shares student insight and reactions Utilizes contemporary teaching methods including cultural studies literary circles blogs YouTube class speakers and film analysis Directly and powerfully models how to address controversial issues in the region Written in an open personal and engaging style theoretically informed and academically smart highly relevant across the field of literacy education this text offers teachers and teacher educators a much needed resource for helping students to think deeply and critically about the politics and culture of the Middle East through literary engagements

Paths to Teaching the Holocaust Tibbi Dubois, 2008-01-01 Paths to Teaching the Holocaust edited by Tibbi Dubois is an important new book It offers contributions by childhood middle and secondary teacher educators from various regions and universities in the continental United States The array of material is a strength of this unique book Some contributors write about ways in which they infuse existing courses with Holocaust materials while others focus on where and when to begin the education of their students with respect to genocide Curriculum and instruction are examined from the perspective of existing research Preparing oneself to teach the material and personal teaching style are presented in ways that will be helpful both to new and to experienced teachers and those interested in the kinds of questions embedded in this material Educators and others will see how events focused upon in the Holocaust are connected to violations of human rights and social justice committed during the period of National Socialism Readers are reminded of the approximate nature of knowledge when it is not born of lived experience and are invited to raise questions about the Holocaust and other genocides

The varied nature of the chapters offers a platform for engaging in discourse likely to pique the interest of people who have limited experience with the topic and of those whose knowledge may be rich and of long standing Teachers often seek to bridge the gap between theory and practice and will find the References of each writer an invaluable resource The contents of *Paths to Teaching the Holocaust* will be useful to educators and others concerned with oppression human rights and social justice *Approaches to Teaching the Works of Primo Levi* Nicholas Patruno,Roberta Ricci,2014-11-01 Primo Levi

Holocaust survivor and renowned memoirist is one of the most widely read writers of post World War II Italy His works are characterized by the lean dispassionate eloquence with which he approaches his experience of incarceration in Auschwitz His memoirs as well as his poetry and fiction and his many interviews are often taught in several fields including Jewish studies and Holocaust studies comparative literature and Italian language and literature and can enrich the study of history psychology and philosophy The first part of this volume provides instructors with an overview of the available editions anthologies and translations of Levi s work and identifies other useful classroom aids such as films music and online resources In the second part contributors describe different approaches to teaching Levi s work Some in presenting *Survival in Auschwitz* *The Reawakening* and *The Drowned and the Saved* look at the place of style in Holocaust testimony and the reliability of memory in autobiography Others focus on questions of translation complicated by the untranslatable in the language and experiences of the concentration camps or on how Levi incorporates his background as a chemist into his writing most clearly in *The Periodic Table* *Teaching German in Twentieth-century America* David P. Benseler,Craig W. Nickisch,Cora Lee Nollendorfs,2001 Teaching a foreign language and culture is always a challenge but it has been especially problematic to teach the German language and culture in the United States in the twentieth century The tradition of Germany s great poets and thinkers of the past has been joined by a starker legacy Through explorations of such topics as the world wars the Holocaust women in the language teaching profession Jewish contributions and technology s impact on scholarship this volume inspects the fascination and frustrating relationships of the two cultures as they interact through the teaching of German in American educational systems from small liberal arts colleges to large and famous universities This volume resulted from a conference *Shaping Forces in American Germanics* held in Madison Wisconsin in September 1996
