A Father for Our Father Scott Johnson, 2008-10. A Father for Our Father: The Foundation for a Flourishing Family. We are losing the battle for our children. Family is no longer defined as father, mother, and child, and this trend must stop. Dysfunction is the buzzword describing our families. Rather than fight this trend, we are accepting it. The cultural shift from a God-fearing, family-oriented society has forced our children to fend for themselves. Our children are depending on us to do the right thing, and frankly, they deserve better than we are giving them. Consider the facts: 63% of youth suicides are from fatherless homes; 90% of all homeless and runaway children are from fatherless homes; 85% of all children that exhibit behavioral disorders come from fatherless homes. These are just a few of the shocking statistics linked to the impact of a missing father in the lives of our children. In *A Father for Our Father*, we will discover how the Lord's Prayer is more than an outline for prayer but also an outline for establishing a flourishing family. While this book is written with men in mind, women will discover the vital role they play in facilitating the changes necessary for men to become who they were created to be. And young men will find help defining their future roles as well. We will discuss the reference, the motivation, the role, and the calling that is unique to men and clearly identify their responsibilities. Join me in discovering the power and influence that only you possess. We can restore our families. We can reverse this trend. Learn what it means to be a Father for Our Father.

African American Church Leadership Paul Cannings, 2013. How can African American church leaders maximize their leadership potential? What are current models for effective leadership in the African American Christian community? This book answers those questions and more with up-to-date research and current best practices regarding leadership principles and strategies. African American church communities and those who interact with and work with these communities will find this book particularly useful. Parker Books are written to equip and encourage African American ministry leaders.

Our Father, Our Teacher Christopher J. Reeves, 2022-09-16. From the beginning, God created men and women in his own image as the objects of his love. His intention has been to father mankind, raising us as his children. While the intimacy of this relationship was broken through the fall, our Father has never stopped loving us. His faithful lovingkindness is unchanged. And through Jesus, we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household. Through Jesus, we can experientially live in relationship with our Father and through the working of the Holy Spirit, within affectionately call him our Abba. The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us, teaches us his ways, and matures

within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning
