**The Language Arts in Elementary Schools**

Walter Thomas Petty, 1962 The book although addressed directly to the teacher avoids excessive theorizing and offers numerous suggestions on the philosophy of language and its effects on the content of the language program in the different grades The author understands the problem of creating an atmosphere in the classroom to stimulate a correct expression of language while suggesting practical methods by which the most effective principles of emotion learning and evaluation can be applied in the formation of socially good language habits This volume presents a program and procedure designed to promote the effective development of language expression habits as a means of communicating effectively with others
