you're better than others.

The Seven Grandfather Teachings

History

The Seven Sacred Teachings are spiritual lessons
from Indigenous cultures in North America. It
long time ago, wise elders and leaders in the
community would tell these important life lessons
to young people so they could grow up to be
kind, strong, and wise. They believed that if
everyone followed these teachings, it would make
their communities better places to live. They also
used animals as symbols for each teaching
because animals have special qualities that people
can learn from.

Benefits

The Seven Sacred Teachings are like a guidebook
for how to treat yourself, other people, and the
world around you. These teachings remind us to:

- Take care of each other.
- Be truthful and honest.
- Show respect to everyone and everything.
- Be brave and do the right thing, even if it's
hard.
- Love and care deeply for others.
- Use your knowledge wisely.
- Be humble and remember that everyone is
important.

By learning and

the teachings, you
can be like the animals.
If you know that
and follow the
teachings, you
will be a better person.
