**Soul Whisperer** Gary Comer,2013-02-19 What if we changed the face of evangelism In a time when so many have a negative perception of evangelism what if a new model was entirely biblical loaded with skills and more effective Soul Whisperer shifts the emphasis from telling to a drawing paradigm It develops biblically the pattern of Jesus who did not give static presentations but rather customized his words to

each hearer By learning his ways our words too can have pinpointed impact Christians will discover how to draw out first in order to read their friends and discern the relevant appeal of the gospel In this way the style is far more dynamic It adapts Understanding the non believer s unique starting point will determine a distinct path By creating a conversation about spiritual influence and what is involved in faith formation this book charts ways for Christians to go deeper in evangelistic relationships Most importantly Soul Whisperer infuses skills that will shape a more Christ likened missional disciple

**Come Early, Stay Late** Dr. Jay Slife, 2024-06-05 Within the divine plan for humanity which is the Kingdom of God everybody who calls on the name of Jesus has a place Everyone has a part a responsibility an importance in His Kingdom waiting for them to discover and walk out This truth when engaged and followed brings purpose and value to you It gives precise definition to who you are according to the Lord and King of it all It is powerful and will become your lifeblood All this happens in a healthy small group in someone s living room that never could and never does happen on a Sunday morning I am writing this book for two reasons One has to do with the burden to disciple those who know Jesus to the deepest level possible and help them give that away to others so that they too may get the message of Jesus and live it out The other reason is to help leaders at any level to make the shift the transition to the New Testament pattern of ministry which is clearly small group ministry This book is about small groups about effective and life giving leadership and ministry in that context But it is also about helping good people who are stuck in a system they did not create They just got stuck in it somewhere along the way And now they don t know what or where they are and most of all who they are I get it because I ve been through it I thought it was the right way I was taught it was the right way There are answers from Scripture from the Teacher Yet the problem seems to continue to worsen Let s change that Let s learn to get much closer to the Creator and align with him as he changes that
