

# Team Teaching

Team teaching is a teaching strategy that involves two or more teachers or instructors working collaboratively to plan and deliver instruction.

The teachers share responsibility for designing and delivering the curriculum, and may take turns leading instruction or work together to co-teach a lesson.

**Language Teaching and Learning** Debbita Tan Ai Lin,Christine Liew Ching Ling,Ambigapathy Pandian,2014-06-19 In every discussion on the role that language plays in our lives every orator from prominent politicians and corporate figures to linguists educational experts and others concedes that language is important in all spheres of life Language is both personal and introspective as well as public and communal Without it we would not be able to communicate and articulate our thoughts and feelings to ourselves to those in our inner circles and to those in the world at large Without it we would not be able to establish partnerships and collaborations and to unite peoples of diverse backgrounds and intrinsic values Without it too we would not be able to learn new discoveries and gain new knowledge The nurturing of a language learning culture is of the utmost importance to ensure that language teaching and learning supports the development of individuals societies nations and populations Language researchers educators and practitioners need to ensure that their learners are empowered to remain relevant They need to produce critical and analytical thinkers and successful language users in listening speaking reading and writing The collection of chapters in this volume addresses language teaching and learning dilemmas and draws attention to the challenges researchers have overcome and those they continue to face The book chapters here reflect the transcendence by language teaching and learning of ordinary boundaries especially with the advent of the digital revolution and provide new perspectives pedagogies and approaches that help shape ethical responsible and sustainable policies Readers of this volume whether language practitioners students researchers policy and decision makers concerned educationists or any interested individual will gain new insights and experiences as they explore new identities new instructional media for interactive teaching and learning and new modes of meaning in diverse local and global contexts

*Stopping the Brain Drain of Skilled Veteran Teachers* William L. Fibkins,2012 Veteran educators are being encouraged to take early retirement in order to create jobs for less experienced lower paid novices Veteran educators are not alone early retirement promotions have become the norm for aging workers in America Consequently there is a brain drain of skilled workers at the national state and local levels The early retirement of our most talented veteran educators is leaving our schools without the necessary leadership hard earned experience proven skills and wisdom to meet the evolving

challenges our country faces Indeed there are long term consequences of losing skilled educators while they are in the prime of their professional lives Addressing these concerns this book challenges the good news only theory of early retirement promotions which suggest that veteran educators are no longer needed as they age and that their retirement is the only way schools can survive financially in times of economic uncertainty This theory contends that everyone involved gets a reward the novice educators get jobs and the veterans get some cash This trade is seemingly no problem until the veteran educators are out the door and the school staff students and parents are left without their steady guiding hands Instead of hastily luring prime educators out the schoolhouse door with planned buyout promotions schools should offer our most gifted veteran educators career alternatives that will encourage and reward them to remain on board thereby allowing them to lead novice and mid career staff students parents and community members Examining the negative consequences of early retirement promotions on school culture administrative leadership teacher and student performance community reaction Stopping the Brain Drain of Skilled Veteran Teachers will not only expose some of the major drawbacks of early buyouts of veteran educators but will also suggest creative career alternative to keep such teachers on board *All Means All* Heather Frizziellie, Julie A.
