Everything you need to prepare for your General Class ham license Covers every question on the General exam Memorizing
400 random answers is hard and boring Learning is easy If you've made the decision to open up your ham radio world by
going for the General Class License great General is certainly more challenging than Technician but The Fast Track to Your
General Class Ham Radio License explains the reasoning and technology behind each correct answer on the General Class
exam so you'll understand and remember the subject matter Created by an experienced ham and adult educator it's like
having your own patient experienced good humored mentor for the exam To get your General Class license you must pass a
multiple choice test The General license test consists of 35 questions drawn from a pool of 462 Memorizing the answers to
462 disconnected questions is difficult but The Fast Track makes getting your upgrade easier by explaining the logic behind
each correct answer It's simple When you understand the material and you have a context for the material you remember the
answers and pass the test Best of all once you've passed your exam you'll have a solid grounding in ham radio basics Includes

every possible question and every answer Correct answers clearly marked in bold Precise instructions for how to locate a testing session how to prepare and even what to bring and what not to bring to the test All technical topics explained in clear plain language often with illustrations Step by step instructions to solve all the math problems Test taking strategies Hints to easily solve many questions and avoid the traps in the test Written in learning order not just the confusing order of the official question bank Covers questions that will be used until June 30 2019 Over 300 pages packed with information Rave reviews for The Fast Track To Your Technician Class Ham Radio License This is a great book So many of the study guides are just question dumps and it s a horrible way to learn at least for me I need an explanation and something to keep my interest and Mr Burnette s book fit the bill perfectly I echo all the sentiments of the other reviewers the author is a top notch communicator Michael Burnette s ham radio exam prep book is the most useful and comprehensive book that I have found on this subject and makes getting ready for this exam not only easy but fun I have learned so much since studying this guide and feel ready to take this exam at a moment s notice The guide has a wealth of information not only on the questions and answers but on the exam itself that is sure to put any test taker s mind at ease The Audible copy was GREAT because Michael Burnette is an exciting and entertaining and memorable guide Thank you Thank you a thousand times over I bought your book in order to study for my tech license Kindle version and the audiobook and I loved them I originally bought s CD s and they confused me I bought yours and it made learning simple and enjoyable I did this to surprise my husband of 30 years who has had a license since the early parts of our marriage He has asked me off and on to consider getting a license and I kept saying no Well with the help of your book and audiobook I was able to blow his doors off and pass my technician exam first try Now if you only had volumes for general and expert the world would be perfect Seriously thanks again
