Brickley,2012-02-16 Unlike literature in the modern western world ancient documents were typically crafted for the ear rather than the eye Jeffrey E Brickley analyses the oral patterning and resulting soundscape reflected in the prologue of First John After discussing contemporary techniques of

sound analysis and establishing the study's methodological approach Brickle examines the prologue's aural profile To do this he explores describes and graphically depicts the patterns of sound that emerge Brickle then uses approaches to Greek pronunciation and orality advocated in recent New Testament research to determine the impact on the prologue's soundscape He employs the principles for beautiful and effective composition elucidated by Dionysius of Halicarnassus in his treatise On literary composition The results and implications of this study enable Brickle to suggest further ways to apply research in orality performance and memory to ancient texts From publisher description

#### **Reading Research at Work**

Katherine A. Dougherty Stahl, Michael C. McKenna, 2006-04-20 This book presents state of the science research on the components of successful literacy learning and how to target them in contemporary classrooms The volume builds on and extends the work of Steven Stahl whose pioneering contributions encompassed the key areas of phonemic awareness phonics vocabulary fluency comprehension and assessment Ten classic papers by Stahl are accompanied by 16 new chapters by other leading experts who highlight Stahl's theoretical methodological and instructional innovations describe how knowledge about each domain continues to evolve and discuss implications for helping all children become better readers

**The Ethics of Reading in Manuscript Culture** John Dagenais, 1994-02-18 Reexamining the roles played by author reader scribe and text in medieval literary practice John Dagenais argues that the entire physical manuscript must be the basis of any discussion of how meaning was made Medievalists he maintains have relied too heavily on critical editions that seek to create a single definitive text reflecting an author's intentions In reality manuscripts bear not only authorial texts but also a variety of elements added by scribes and readers glosses marginal notes pointing hands illuminations and fragments of other seemingly unrelated works Using the surviving manuscripts of the fourteenth century Libro de buen amor a work that has been read both as didactic treatise on spiritual love and as a celebration of sensual pleasures Dagenais shows how consideration of the physical manuscripts and their cultural context can shed new light on interpretive issues that have puzzled modern readers Dagenais also addresses the theory and practice of reading in the Middle Ages showing that for medieval readers the text on the manuscript leaf including the text of the Libro was primarily rhetorical and ethical in nature It spoke to them directly individually always in the present moment Exploring the margins of the manuscripts of the Libro and of other Iberian works Dagenais reveals how medieval readers continually reshaped their texts both physically and ethically as they read and argues that the context of medieval manuscript culture forces us to reconsider such comfortable received notions as text and literature and the theories we have based upon them

#### **The Gospel as Manuscript**

Chris Keith, 2020 The written accounts of the Jesus tradition in the Gospels have taken a far superior position in the Christian faith to any oral tradition In The Gospel as Manuscript Chris Keith offers a new material history of the Jesus tradition's journey from voice to page showing that the introduction of manuscripts played an underappreciated but crucial role in the reception history of the Gospel Revealing a vibrant period of competitive development of the Jesus tradition wherein the material status of the tradition

frequently played as important a role as the ideas that it contained Keith offers one of the most thorough considerations of the competitive textualization and public reading of the Gospels      **Research in Education** ,1973      *Constitution and Rules for County, District, and State Contests in Debate, Declamation, Spelling, Essay Writing, Music Memory, Extemporaneous Speech and Athletics (varies Slightly)* University Interscholastic League (Tex.),1970      **Oral Reading & Public Speaking** John Reinder Pelsma,1918      Reading John Anthony O'Brien,1926      *Experimental Techniques in Human Neuropsychology* H. Julia Hannay,1986 This unique sourcebook describes the research methods used to study human brain function and brain behavior relationships These range from relatively simple approaches such as dichotic listening and tachistoscopic presentation to computerized techniques such as cerebral blood flow measurements The description of each method covers the underlying theory variations on the basic paradigm dependent measures reliability and validity and the equipment required The authors also critically review research with normal and clinical populations Because of the rapid expansion of the field of human neuropsychology and accompanying technological advances this volume will be valued as much by experienced researchers as by newcomers seeking an introduction to the variety of available procedures      Oral and Manuscript Culture in the Bible J. A. Loubser,2007-03-01 Drawing on a wide range of scholarship dealing with the properties and function of the materialities of the oral and scribal arts as well as oral scribal interfaces the author unfolds before our eyes and makes manifest to our ears a world of communications in which there are no original texts let alone original speech where manuscripts are written to be remembered and read out aloud where scribal products exhibit both a metonymic and a polyvalent quality      *Oral and Manuscript Culture in the Bible* J. A. Loubser,2013-01-01 Oral and Manuscript Culture in the Bible is the fruit of Professor Loubser s confrontation with how Scripture is read understood and used in the Third World situation which is closer than modern European societies to the social dynamics of the original milieu in which the texts were produced      **Oral Interpretation of the Bible** Daniel R. Berger,2003-09-16 Elie Wiesel plucked from the ashes of the Holocaust became a Nobel Peace laureate an activist on behalf of the oppressed a teacher an award winning novelist and a renowned humanist He moved easily among world leaders but was equally at home among the disenfranchised Following his Nobel Prize Wiesel established the Elie Wiesel Foundation for Humanity one of their early initiatives was the founding of the Elie Wiesel Ethics Essay Contest The reflections in this volume come from judges of the contest They share their personal and professional experiences working with and learning from Wiesel providing a glimpse of the person behind the public figure At a time when the future seems ominous and chaotic at best these reflections hold on to the promise of an ethically and morally robust possibility The students whose essays prompt this sense of hope are remarkable for their insight and dedication The messages embedded in the judges reflections mirror Wiesel s convictions about the importance of friendship the need to interrogate without abandoning God and the power of remembrance in order to fight indifference
