Sisters of the Brush Ramsay MacMullen, 1997 The story in this book begins with the first letter in the year Eliza Champlain was born 1797 in New London It unfolds through her own her mother s and her aunt s correspondence hundreds of letters now first published with explanatory chapters commentary and notes around them Her aunt at first in their home town and then from 1811 for eight years in New York was the first professional artist of her sex in the United States Mary Way a painter of miniature portraits Eliza s mother remaining at home also earned her living by her brush The two older women taught all they knew to Eliza sometimes looking over her shoulder sometimes in their letters To show how artists went about their work in the period nothing matches this collection Paintings by all three can be found in various private collections and galleries including the Metropolitan Museum in New York The book through its color plates introduces an equal number of paintings hitherto unknown which were preserved with the letters The core of the book however is the world of women their circles and relationships their concerns and the opportunities open to them in the early Republic BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Sisters of the Brush** Tamar Garb, 1994-01-01 Although the women of the Union were often quite conservative politically socially and stylistically says Garb they believed that women had a special gift that would enhance France s cultural reputation and maintain the uplifting moral cultural position that seemed in jeopardy at the turn of the century Focusing on the developments that made the prominence of the organisation possible Garb discusses the growth of the women s movement educational reforms institutional changes in the art world and critical debates and contemporary scientific thought *Nineteenth Century Women Artists* Caroline Chapman, 2021 For much of the nineteenth century women artists laboured under the same restrictions and taboos they had endured for centuries and it was assumed that marriage and child bearing were their goals in life However by the 1870s female art students of every nation were flocking to Paris in search of instruction in the city s private art schools With proper training they now had the confidence to tackle a wider range of subjects and by the century s end they were at last able to study the nude figure During these breakthrough years women won the right to work and exhibit alongside men both in Europe and America and the advent of art galleries and art dealers opened up new ways of selling their work This book is full of surprising adventures young women still not allowed to visit a museum unchaperoned travelled thousands of miles in a quest for first class tuition several Americans while still in their twenties journeyed to Rome to study sculpture numerous free and independent women joined the artists colonies that sprang up all over Europe where they made lasting friendships painting from dawn to dusk en plein air and enjoying the bohemian life These trailblazing women rose to the challenges of the century s dramatic development in art styles from Realism to the Avant Garde and triumphantly succeeded in becoming successful professional artists *Sisters of the Brush* Ramsay MacMullen, 1996-05-01 *The Blind Sisters of Saint Paul* Maurice de La Sizeranne, Lilian Marian Leggatt, 1907 *The Sisters of Straygarden Place*

Hayley Chewins,2020-10-13 A riveting middle grade fantasy about sibling bonds enchanted houses and encroaching wildness lyrically told in eerily beautiful prose The grass grew taller than the house itself surrounding it on all sides It stuffed the keyholes and scraped against the roof It shook the walls and made paintings shiver Seven years ago the Ballastian sisters parents left them in the magical Straygarden Place a house surrounded by tall silver grass and floating trees They left behind a warning saying never to leave the house or go into the grass Wait for us the note read Sleep darkly Ever since then the house itself has taken care of Winnow Mayhap and Pavonine feeding them clothing them even keeping them company while the girls have waited and grown up and played a guessing game Think of an animal think of a place Think of a person think of a face Until one day when the eldest fourteen year old Winnow does the unthinkable and goes outside into the grass and everything twelve year old Mayhap thought she knew about her home her family and even herself starts to unravel With luscious vivid prose poet and author Hayley Chewins transports readers to a house where beloved little dogs crawl into their owners minds to sleep sick girls turn silver and anything can be stolen even laughter and silence Strawberry Sisters:

it truly extend beyond political and politicized discourse to inform the imaginative structures and material forms of everyday life Republic of Taste affirms that it did although not in ways that anyone could have predicted at the conclusion of the American Revolution **Reclaiming Female Agency** Norma Broude, Mary D.
