Sita's Kitchen Ramchandra Gandhi, 1992-08-17 Exploring the meaning of a Buddhist story this book is a testimony of faith in the urgent relevance of India's spiritual traditions to the future of life on Earth and it is an inquiry into the meaning of some central notions of these traditions The value of spiritual traditions and of life itself is at stake here In the Introduction Ramchandra Gandhi raises the Ayodhya issue to international and universal levels In the text he offers a solution on the local and national levels The temple mound in Ayodhya the sacred hill on which the present Babri Masjid was built also known as Sita's Kitchen was originally a sacred place of the Adivasis the aboriginal inhabitants of the subcontinent It was sacred to the Goddess the great nurturing earth the fecund source of all life the aboriginal presupposition of all later religions As an aboriginal place sacred to the Mother Goddess the hill in Ayodhya brings together all religions Rather than a source of conflict Ayodhya should become a meeting ground for the divergent religious traditions of the world to see their ultimate harmony In the Buddhist story the principal female character is an adivasi named Ananya not other The opposing sides come to see their oneness in Ananya The frame story is taken from the Vinaya pitaka of the Pali Canon It is the Bhaddavaggiyavatthu or The Story of the Group of Well Off Ones **Sita's Kitchen** Raghav Khanna, 2021-12-10 London based restaurateur Arun and his assistant Ben are on a business trip They stop at a roadside caf in Himachal Pradesh and are astonished with its European looks and Italian menu A cynical Arun samples a dish and is blown away by its authenticity His astonishment turns into disbelief when he learns that the cook is Sita a simple mountain girl who has never in her life stepped outside her village Ever since her mother passed away Sita started helping her deaf mute father run their small tea stall Sita loves cooking and when a travelling Italian chef gifts her a cookbook the passion becomes an obsession Aided by YouTube videos Sita soon revamps the tea stall and turns it into an elfin caf Arun recognizes Sita's extraordinary talents and convinces her to move to London and become a chef at his restaurant However Sita's lack of professional training is soon apparent Help comes in the form of Anwar Khan a veteran butcher who takes a floundering Sita under his wings She embarks on a journey navigating the cut throat and often ugly world of gourmet chefs where gender conventions and racial undercurrents can make or break careers As she strives to carve a niche for herself Arun starts feeling differently towards Sita Just when Sita starts believing in her special destiny one incident alters her inside out and leads her to rediscovering herself **Culinary Fictions** Anita Mannur, 2009-11-19 An exploration of how and why food matters in the culture and literature of the South Asian diaspora **Sita** Kate Millett, 2000 Presents moment by moment record of the fading of love with all of its agony and false dawn respites This book follows the disintegration of the author's love affair with a woman who is ten years her senior a veteran of several marriages and the mother of grown children **SITA** George Vincent Dor, 2012-04-24 This little book was written to inspire the reader that something must have happened in the past that has caused the whatever present conflict In telling the simple story of a happy boy going out to a lake in his school holidays to

find some herbs for his granny where he meets the charming fairy Sita With her simple mind Sita becomes friend with Benjamin and she is convinced that in his memories is the key to a problem not only she has trouble with but all of us She takes him back to a time in the past and the adventure begins Both are now searching for a symbol consisting of three A s which have a very specific meaning and which can be observed in the life we all live When they finally find the answers dramatic changes take suddenly place

Coolie Woman Gaiutra Bahadur,2022-12-22 Shortlisted for the Orwell Prize Bahadur combines her journalistic eye for detail and story telling gifts with probing questions a haunting portrait The Independent In 1903 a young woman sailed from India to Guiana as a coolie the British name for indentured laborers who replaced the newly emancipated slaves on sugar plantations all around the world Pregnant and traveling alone this woman like so many coolies disappeared into history Now in Coolie Woman her great granddaughter embarks on a journey into the past to find her Traversing three continents and trawling through countless colonial archives Gaiutra Bahadur excavates not

only her great grandmother's story but also the repressed history of some quarter of a million other coolie women shining a light on their complex lives Shunned by society and sometimes in mortal danger many coolie women were runaways widows or outcasts Many left husbands and families behind to migrate alone in epic sea voyages traumatic middle passages only to face a life of hard labor dismal living conditions and especially sexual exploitation As Bahadur explains however it is precisely their sexuality that makes coolie women stand out as figures in history Greatly outnumbered by men they were able to use sex with their overseers to gain various advantages an act that often incited fatal retaliations from coolie men and sometimes larger uprisings of laborers against their overlords Complex and unpredictable sex was nevertheless a powerful tool Examining this and many other facets of these remarkable women's lives Coolie Woman is a meditation on survival a gripping story of a double diaspora from India to the West Indies in one century Guyana to the United States in the next that is at once a search for roots and an exploration of gender and power peril and opportunity
