

The background image is a photograph of a Jerusalem street scene. In the foreground, a dark, arched stone structure, possibly a gate or a bridge, frames the view. Beyond the arch, a narrow street leads towards a large, historic building with a prominent dome and a cross on top, likely the Church of the Holy Sepulchre. The building is constructed from light-colored stone and has several smaller domes and arched windows. The sky is a pale, hazy blue.

Six New Testament Walks In Jerusalem:

Six New Testament Walks in Jerusalem I. Martin, 1986 *A Brief Walk through the Books of the Old Testament* Tony Smith, 2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God *Applied New Testament Bible Commentary* Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about **Israel Scene**, 1985 **Hours with the Bible, New Testament. [6 vols. 2 issues of vol.4].** Cunningham Geikie, 1896 **Thru the Bible Vol. 59: The Prophecy (Revelation 6-13)** J. Vernon McGee, 1995-03-15 Radio messages from J.
