Japp,2002-09-30 Although much scholarly and critical attention has been paid to the relationship between rhetoric and environmental issues media and environmental issues and politics and environmental issues no book has yet focused on the relationship between popular culture and environmental issues This collection of essays provides a rigorous and multifaceted rhetorical and critical perspective on the ways in which the language and imagery of nature is incorporated strategically into various popular culture texts ranging from greeting cards to advertisements to supermarket tabloids As a distinguished group of scholars reveals our notions about the environment and environmentalism are both reflected in and shaped by our popular culture in fascinating ways never previously examined in an academic context The consumptive vision of nature presented in these texts represents a wholly American view one promoting leisure and comfort and nature as the place to experience them This good life attitude toward the environment often serves to commodify it to render it little more than space in which to pursue conventional notions of the American dream As such the volume represents a bold and striking vision both of popular culture and of popular notions of an environment that can be either protected or just simply consumed **Simpler Living, Compassionate Life** Michael Schut,2009-07-01 A diverse compilation of essays that explore the complex idea of simplicity in our lives community and environment and how buying less and decluttering creates an enriching and sustainable life In a rare collection of voices the authors of Simpler Living Compassionate Life explore

voluntary simplicity as a path to wholeness and abundance Henri Nouwen Cecile Andrews Richard Foster and 19 other writers encourage you to listen to your own story and to respond to dialogue about the fundamental issues of life time money food spirituality heritage and community A diversity of voices and a helpful study guide make this an effective tool for individuals and groups ready to consider alternatives to high price high stress good life the riches of simplicity and compassion *Simpler Living Compassionate Life* is an excellent resource for anyone wishing to have a comprehensive overview of the myriad ways living more simply has positively affected our culture It is a delightful and practical guide for creating simplicity in our own lives our communities and for the benefit of our culture Elaine James author of *Simplify Your Life and Inner Simplicity* 'Tis a Gift to be Simple Barbara Sorensen, David Allen Sorensen, 1992-01-01 Suggestions are given for telling the difference between needs and wants using time and money wisely relaxing more enjoying family and friends eating healthier food conserving the earth's resources and sorting through priorities *Spiritual Awareness* Larry E. Maugel, 2021-11-17 Excited about life Or do the events of each day flow into an unending sea of gray Are the sunny days too few and the cloudy days ever threatening Is there a spring to your step and a twinkle of teasing in your eyes Does a smile grace your lips and hope shape your vision The search for a better life an abundant life seems to be humanity's ever constant quest *Spiritual Awareness* introduces one to the joy of discovery It is a discovery of the spiritual currents that flow within the present moments of the here and now Amidst life's ebb and flow like the rising and falling tide they are currents that form dynamic movements of spiritual realities For the skeptic it provides a vision of a reality that can be experienced beyond the crust of conventional culture For the searcher it reveals the mystery of beauty and wonder that lead to spiritual dimensions of worship For those who suffer it reveals the reality of a healing grace as spiritual insight reshapes the pain and suffering consecrates it and offers it as a humble sacrifice unto the Lord in so doing discovering God's great mercy and comfort for the soul *Spiritual Awareness* is an effort to combat the dullness and superficiality of our age It seeks to probe more deeply into the mysteries that lie within the events of the common place by becoming increasingly aware of the presence and availability of the spiritual life This awareness leads to an authentic life worth living only because it is steeped deeply in the greatest of all realities This is true awakening All profits are intended to be given to charitable causes *Signs of Life in the USA* Sonia Maasik, Jack Solomon, 2011-11-21 *Signs of Life in the USA* teaches students to read and write critically about popular culture by giving them a conceptual framework to do it semiotics a field of critical theory developed specifically for the interpretation of culture and its signs Written by a prominent semiotician and an experienced writing instructor the text's high interest themes feature provocative and current reading selections that ask students to think analytically about America's impressive popular culture How is TV's *Mad Men* a lightning rod for America's polarized political climate Has the nature of personal identity changed in an era when we spend so much of our lives online *Signs of Life* bridges the transition to college writing by providing students with academic language to talk about our common everyday cultural experience Read the preface
