Skin Folk:

Skin Folk Nalo Hopkinson, 2001-12-01 A new collection of short stories from Hopkinson including Greedy Choke Puppy which African American called a cleverly crafted West Indian story featuring the appearance of both the soucouyant vampire lagahoo werewolf Ganger Ball Lightning praised by the Washington Post Book World as written in prose that is vivid immediate this collection reveals Hopkinson's breadth accomplishments as a storyteller *Skinfolk* Matthew Pratt Guterl, 2023-03-28 A haunting poignant story of growing up in a mixed race family in 1970s New Jersey in the tradition of *The Color of Water* Race is made not born It can materialize with a thunderous suddenness It can happen to you in moments that will be cauterized into memory as if into flesh Could a picturesque white house with a picket fence save the world What if it was filled with children drawn together from around the globe And what if within the yard the lines of kin and skin of family and race were deliberately knotted and twisted In 1970 a wild eyed dreamer Bob Guterl believed it could Bob was determined to solve in one stroke the problems of overpopulation and racism The charming larger than life lawyer and his brilliant wife Sheryl a former homecoming queen launched a radical experiment to raise their two biological sons alongside four children adopted from Korea Vietnam and the South Bronx the so called war zones of the American century They moved to rural New Jersey with dreams of creating what Bob described as a new Noah's ark filled with two of every race While the venture made for a great photograph with the proverbial casseroles and potato chips out for everyone the Brady Bunch facade began to crack once reality seeped into the yard adding undue complexity to the ordinary drama of a big family Neighbors began to stare Vacations went wrong Joy and laughter commingled with discomfort and alienation Familial bonds inevitably buckled In the end this picture perfect family was no longer and memories of the idyllic undertaking were marred by tragedy In lyrical yet wrenching prose Matthew Pratt Guterl one of the children narrates a family saga of astonishing originality in which even the best intentions would prove woefully inadequate He takes us inside the clapboard house where Bob and Sheryl raised their makeshift brood in a nation riven then as now by virulent racism and xenophobia Chronicling both the humor and pathos of this experiment he opens a door to our dreams of what the idea of family might make possible In the tradition of James McBride's *The Color of Water* *Skinfolk* exposes the joys and constraints of love blood and belonging and the persistent river of racial violence in America past and present *Contemporary Fiction and the Fairy Tale* Stephen Benson, 2008-06-16 Students and teachers of fiction folklore and fairy tale studies will appreciate this insightful volume
