

Sky Father And Son

Ken MacLeod

Sky Father And Son:

Sky Father and Son Mary A. Joyce, Evelyn Gordon, 1990 *Children of the Blood* Bernard Juillerat, 2020-08-20 This fascinating book translated from the French explores the Yafar society a forest people living by shifting cultivation hunting and gathering Based on fifteen years of research it offers a detailed examination of all aspects of a society whose material and nutritional relations with their rainforest environment are mediated by a sociocultural system based on a carefully negotiated relationship with natural forces and harmony between the sexes The author shows how these basic ideas can be found in the ritualized and institutional aspects of the Yafar s social life as well as their mythology Rich in detail and insight this book fully documents the Yafar s complex ritual involving a symbolic exchange with the spirit world a secret cult and curing rites presided over by hereditary religious officials The author s analysis of Yafar ideologies reveals that sexual reproduction is the key to their society and the model for continuity and regeneration prescribed by nature **Jim**

Morrison, Secret Teacher of the Occult Paul Wyld, 2024-09-10 Reveals Jim Morrison as a shamanic initiate and esoteric teacher who used his role as a rock singer to promote the adventure of the spirit and express the power of inner experience Examines Morrison s deep occult and artistic influences including Kurt Seligmann s *The Mirror of Magic* Colin Wilson s *The Outsider* and the works of Jack Kerouac Draws on Morrison s lyrics and poems his intimate writings and the recollections of friends like photographer Paul Ferrara and Doors keyboard player Ray Manzarek The groundbreaking 1960s band The Doors named for Aldous Huxley s *The Doors of Perception* achieved incredible acclaim and influence ultimately serving as a key group in the development of psychedelic and progressive rock At the center of it all was front man Jim Morrison who died in 1971 at age 27 Yet as author Paul Wyld reveals despite Morrison s reputation as a lewd drunken performer he was a full fledged mystical shamanic figure a secret teacher of the occult who was not merely central to the development of rock music but also to the growth of the Western esoteric tradition as a whole Wyld looks at the mystical works that inspired Morrison including Kurt Seligmann s *The Mirror of Magic* Colin Wilson s *The Outsider* and the writings of Nietzsche and Jack Kerouac Drawing on Morrison s lyrics and poems his intimate writings and the recollections of friends like photographer Paul Ferrara and Doors keyboard player Ray Manzarek the author makes the case that Morrison was not simply a superficial dabbler in the occult but an actual secret teacher transmitting knowledge through the golden thread stretching back to Egypt and Thoth Hermes Explaining how Morrison sought to use his role as a rock singer to express the power of inner experience Wyld shows how praxis was at the heart of Morrison s approach revealed in his journey through the arduous ordeals of shamanic initiation He was a shaman mystic and sage and an essential part of a great spiritual awakening to which he gave himself over fully **Dark Light** Ronald Schenk, 2001-01-01 Reveals the effects of the cultural unconscious or world soul in human experience *Dark Light* Ken MacLeod, 2004-06-01 In this science fiction sequel to *Cosmonaut* Keep a human and his friends travel to another planet to interrogate gods and solve a mystery Intelligence it turns out is rare on planetary surfaces

It thrives everywhere else from the Oort cloud fringes of star systems to the magma furnaces beneath planetary crusts And among the most powerful of the galaxy's intelligences there are profound differences of opinion about how to deal with surface life forms such as human beings For untold light years from Earth the powers that rule the universe have been for millennia plucking humans and other intelligent beings from Earth and forcibly resettling them in a number of star systems close to one another leaving them to develop on their own A few generations ago a small cadre of humans from Earth's twenty-first century arrived in this Second Sphere on their own power the first humans ever to do so Their descendants have formed the Cosmonaut class that dominates Mingulay Now two hundred years later Gregor Cairns and a small group of associates have rediscovered faster than light travel and traveled to the star system next door They're determined to find more of the original mysteriously long-lived cosmonauts They want answers And for those answers they intend to interrogate the gods

Thematic Guide to World Mythology Lorena Laura Stookey, 2004-03-30 All around the world myths address questions that humans have always posed about their origins their environments their ultimate destinies and the meanings of their lives This book examines 30 common motifs that thread their way through mythological tales across history and around the globe The themes are presented in alphabetical order moving from The Afterlife and Animals in Myth to The Underworld World Tree and Ymir Motif Each thematic section defines and discusses a single recognizable motif compares a number of different mythological traditions and traces the repeated occurrences of one of these patterns through several different categories of narratives The discussion of The Afterlife for example examines the theme's earliest known occurrences in ancient Mesopotamia and compares them with those in Greek Aztec Norse and other ancient cultures as well as with contemporary views from Inuit and Polynesian cultures A glossary provides concise definitions of recurring terms A list of suggested readings on these topics will further aid students who desire to deepen their knowledge of world mythology

Theogony Hesiod, 2015-01-02 This translation contains an introduction commentary and interpretive essay and well as numerous notes and annotations to provide the history and background of the epic and the mythological context in which it is placed Hesiod's straightforward account of family conflict among the gods is the best and earliest evidence of what the ancient Greeks believed about the beginning of the world Includes Hesiod's Works and Days lines 1-201 and material from the Library of Apollodorus

The Mrozek Reader Sławomir Mrozek, 2004 Sławomir Mrozek has reigned as the pre-eminent playwright and satirist of Eastern Europe for the past half century A sharp critic of all oppressive systems during the Cold War he began his career as a young enthusiast for the new Communist regime in the early 1950s It didn't take long however until he was deemed such a threat that his work was banned not only in his native Poland but also in all Eastern bloc countries After the fall of Communism he returned home from self-imposed exile in the West and was recognized as a major literary figure This reissue of fourteen plays and ten short stories along with a sampling of his capricious cartoons affirms Mrozek's mastery of a wide spectrum of styles and illustrates the development of his talent over the decades From the

vantage point of the twenty first century Mro ek s questioning of authority his razor sharp sense of the comic and his spirit of contradiction seem as fresh and as relevant as ever **I Exist in All Planes at the Same Time**

Alexander-Reindorf,2006-06-09 In ANTHOLOGY II Leader Olumba Olumba Obu s Teaching on Love the Holy Spirit His Mission His Characteristics Prayer Forgiveness and Mercy the Holy Spirit The Word Humility Baptism Brotherhood of the Cross and Star Holy Thursday and on the Trinity are recorded **A Psychology of Hope** Kalman J. Kaplan,Matthew B. Schwartz,2008-10-07 Combines the disciplines of history and psychology to explain the suicidal element in Western culture and how to treat it
