Skywald The Complete Illustrated History Of The Horrormood:

The Complete Illustrated History of the Skywald Horror-mood Alan Hewetson, 2004 The inside story of a uniquely influential horror comic publisher from the 1970s *Horror Comics in Black and White* Richard J. Arndt, 2013-01-21 In 1954 the comic book industry instituted the Comics Code a set of self regulatory guidelines imposed to placate public concern over gory and horrific comic book content effectively banning genuine horror comics Because the Code applied only to color comics many artists and writers turned to black and white to circumvent the Code's narrow confines With the 1964 Creepy 1 from Warren Publishing black and white horror comics experienced a revival continuing into the early 21st century an important step in the maturation of the horror genre within the comics field as a whole This generously illustrated work offers a comprehensive history and retrospective of the black and white horror comics that flourished on the newsstands from 1964 to 2004 With a catalog of original magazines complete credits and insightful analysis it highlights an important but overlooked period in the history of comics *Horror Covers of Skywald Softcover Standard Color* Brian Muehl, 2025-05-12
