## **Slaveworld Embaby Slaveworld:**

*Slaveworld Embassy* Stephen Douglas, Stephen Rawlings, 2003-01-01      **Cold War Captives** Susan L. Carruthers, 2009-10-13 This provocative history of early cold war America recreates a time when World War III seemed imminent Headlines were dominated by stories of Soviet slave laborers brainwashed prisoners in Korea and courageous escapees like Oksana Kasenkina who made a leap for freedom from the Soviet Consulate in New York Full of fascinating and forgotten stories Cold War Captives explores a central dimension of American culture and politics the postwar preoccupation with captivity Menticide the calculated destruction of individual autonomy struck many Americans as a more immediate danger than nuclear annihilation Drawing upon a rich array of declassified documents movies and reportage from national security directives to films like The Manchurian Candidate his book explores the ways in which east west disputes over prisoners repatriation and defection shaped popular culture Captivity became a way to understand everything from the anomie of suburban housewives to the slave world of drug addiction Sixty years later this era may seem distant Yet with interrogation techniques derived from America s communist enemies now being used in the war on terror the past remains powerfully present      Five Ways to Forgiveness Ursula K. Le Guin, 2025-02-25 A companion to Ursula K Le Guin s award winning Hainish novels including The Left Hand of Darkness and The Dispossessed Five Ways to Forgiveness tells the story of the planet Werel and its colony planet Yeowe and how their societies are shaped by the legacies of slavery and revolution When the enslaved people on the colony Yeowe called assets overthrow the slave holding class called owners the owners on neighboring Werel launch a war to preserve the master slave society that undergirds the economy of both planets Told from the perspectives of people caught in the crosshairs of the struggle the stories in this collection are linked by the character Old Music an Ekumen ambassador who is secretly working as an abolitionist and supporter of Yeowe s emancipation Together they ask What does forgiveness look like in a world riddled by racism and caste In Betrayals a disgraced revolutionary leader makes peace with his past In the intersectional Forgiveness Day a female ambassador from the Ekumen struggles with the patriarchal culture of Werel while A Man of the People tells the life story of a male Ekumen ambassador to Yeowe A Woman s Liberation tells the story of a woman who after escaping to freedom must reckon with the internalized racism that still enchains her And finally the story Old Music and the Slave Women braids the collection together and counts the cost of justice First published in 1994 as Four Ways to Forgiveness this is the first standalone edition that includes the fifth story Old Music and the Slave Women that Le Guin wrote years after to augment this extraordinary vital suite      **The Department of State Bulletin** , 1953 The official monthly record of United States foreign policy      *The Korean Information Bulletin* , 1956      *The Found and the Lost* Ursula K. Le Guin, 2016-10-18 This book represents the first time that all of Le Guin novellas have been collected in a single volume Featuring thirteen unforgettable stories this literary treasure is easily one of the most anticipated collections of the year In addition to more than 800 pages of extraordinary storytelling this book

also includes an introduction from the legendary author      *Official Text* ,1948      **Korea and the United States**
