Slavic Civilization Through The Ages:

Slavic Civilization Through the Ages Samuel Hazzard Cross,1963 *Slavic Civilization Through the Ages* Samuel Hazzard Cross,1963 *Slavs in the Middle Ages between Idea and Reality* Eduard Mühle,2023-03-20 The book presents a new history of the Slavs during the Middle Ages Based on in depth source analysis it describes on the one hand the factual historical structures that can be discerned behind the phenomenon of the Slavs from the early Slavic population groups and their first formations of power in the 7th to 9th centuries through the Slavic speaking realms and nationes of the 10th to 12th centuries to the late medieval societies of the 13th to 15th centuries On the other hand it analyzes external Byzantine Latin and Arabic perceptions as well as Slavic self imagery with which the Slavs have been conceptualized or imagined as a cultural construct since the 6th century Mühle further demonstrates that these images were already being instrumentalized for historical political purposes in various contexts and for different purposes in the Middle Ages *Slavic Civilization Through the Ages. D., Foreword by Leonard I. Strakhovsky* Samuel Hazzard Cross,Leonard I. Strakhovsky,1963 *The Making of the Slavs* Florin Curta,2001-07-12 This book offers an alternative approach to the problem of Slavic ethnicity in south eastern Europe between c 500 and c 700 from the perspective of current anthropological theories The conceptual emphasis here is on the relation between material culture and ethnicity The author demonstrates that the history of the Sclavenes and the Antes begins only at around 500 AD He also points to the significance of the archaeological evidence which suggests that specific artefacts may have been used as identity markers This evidence also indicates the role of local leaders in building group boundaries and in leading successful raids across the Danube Because of these military and political developments Byzantine authors began employing names such as Sclavines and Antes in order to make sense of the process of group identification that was taking place north of the Danube frontier Slavic ethnicity is therefore shown to be a Byzantine invention **A History of the Balkan Peoples** René Ristelhueber,Sherman D. Spector, **A History of Slovakia** Stanislav J. Kirschbaum,2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union **The Czars** James P. Duffy & Vincent L. Ricci,2015-06-22 During the course of most of Russia's turbulent history czars ruled The story of these men and women as diverse as the lands they governed is in many ways the story of Russia itself From the birth of the Kievan state in the second half of the ninth century to the murder of Czar Nicholas II and

his family in 1918 historians James P Duffy and Vincent L Ricci trace the long and twisted line of imperial rule in Russia offering many insights into the uses and abuses of absolute power as well as a glimpse at world history through the eyes of those who made it The Czars is a vital page in the literature of Russian history **The Rotarian** ,1948-09 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine
