Sleeping Father:

The Sleeping Father Matthew Sharpe, 2003-09-26 The Sleeping Father begins with a divorced dad who inadvertently combines two incompatible anti depressant medications goes into a coma has a stroke and emerges with brain damage His teenage son the protagonist of the book Chris and his teenage daughter Cathy inherit money from their grandfather and decide to rehabilitate him on their own decide to make one Absent an adequate father the children decide to make one bringing with it a host of difficulties and opportunities Chris tries everything from sex to capitalism in his search for guidance on the path to adulthood and Cathy believing her secular Jewishness inadequate in the provision of a benign Moms and Dads as in home teachers priests presidents and CEOs In focusing on the Schwartz family in crisis Sharpe addresses the larger crisis in faith and authority in contemporary American life *Father's Handbook for Raising Children* Henry Petersohn, Ph.D, 2023-04-28 About the Book This father s handbook is a major improvement over other handbooks for raising your children This up to date book covers common child raising topics often omitted or only summarized in other books Each topic discussed is backed up by provided references with in depth specifics should readers want more details The Father s Handbook for Raising Children includes specific possible actions a father can take rather than just providing do good statements Its practical suggestions will save fathers time and money now and as your child ages About the Author A Ph D is a research and teaching degree Petersohn previously taught business management and statistics and has written on computer topics He personally had to undergo serious cardiac surgery and a stressful recovery and that involved Johns Hopkins and the Med Star Hospital in DC He also had to deal with more than two dozen family medical issues that pushed him into working with London s National Health System and Venice s Mesre as well as the Cleveland Clinic in Cleveland and St Joseph s in Phoenix He was drawn into extensive medical research as family issues became serious which spurred a deep interest in researching medical journals and reports from sources such as NIH Johns Hopkins UCLA Emory University and the MAYO Clinic **Immigrants in industries** ,1911 *Reports of the Immigration Commission* United States. Immigration Commission (1907-1910),1911 Immigrants in cities United States. Immigration Commission (1907-1910),1911 *Banished* Edwin F. Becker,2011 Father Thomas Garrity is a Catholic priest who unexpectedly comes face to face with a horrific demon Through fate or demonic manipulation he winds up substituting for a prison chaplain who mysteriously committed suicide and was counseling a serial killer condemned on death row Garrity meets with the convict who at first is mute and then becomes all too talkative claiming to be a demon A na ve Father Garrity assumes he is dealing with a schizophrenic Truly possessed by the demon Furfur the inmate begins his attack on Father Garrity As all Catholic priests Garrity is uneducated and unskilled at confronting the supernatural much less a demon This demon is intent on destroying Garity s faith in God through any means possible The one problem is that this inmate will be executed in a week so time is of the essence At first Garrity thinks that he must only survive until the execution but then finds he will become

hunted afterward by a demon that will transfer to a whole new body Furfur a documented fallen angel taken from demonology initially attempts to overwhelm Garrity with his knowledge and history Failing he escalates his efforts to violence and eventually murders Father Garrity as all common parish priests is inexperienced but is desperate to defeat this demon even though his path is crammed with obstacles He is surrounded by non believers and a Catholic organization that has created an impossible bureaucracy which frowns on the very mention of exorcism The demon Furfur intends to deliver the soul of this convict to hell and then transfer himself to another person and continue to torment the priest Father Garrity finds that Furfur in documented demonology ranks high in the hierarchy of hell and has 150 000 demons at his command Although in prison Furfur can torture the priest through hurting those close to him simply by using his legions Father Garrity reaches out to the Vatican and eventually enlists the help of the official head Exorcist He is also aided by an unofficial American exorcist Their realization that the limited time until the execution is nowhere near adequate for an exorcism makes for an unsolvable dilemma
