Banks, Cherry A. McGee Banks, 2010 *Multicultural Education* is a reader which helps educators understand the concepts paradigms and explanations needed to become more effective practitioners in culturally racially and language diverse classrooms **Multicultural Education** Prentice H. Baptiste, 1979-09-14 A collection of original essays by scholars of multicultural and bilingual education which serves as an ideal introduction to both fields A review of selected multicultural publications and a descriptive analysis of teacher education models related to the process of multiculturalism provides the reader with a unique overview of this rapidly growing area *Freedom's Plow* Jim Fraser, Theresa Perry, 2013-10-15 *Freedom's Plow* is the first volume designed to provide teachers and teachers in training with the practical resources they need to make their teaching practice and classrooms more multicultural Parts II and III present the voices and experiences of teachers from first grade to college level who are actually engaged in multicultural teaching efforts The contributors examine what redefining their practice as multicultural has meant for their work in terms of content pedagogy power and indeed their own attitudes and values The volume concludes by focusing on the power arrangements perspectives and personnel policies needed if schools are to emerge as truly multicultural multiethnic democracies *Teaching and Learning in Multicultural Schools* Elizabeth Coelho, 1998-01-01 This text outlines relevant theoretical background and provides detailed practical advice and suggestions for educators in schools serving culturally and linguistically diverse communities Some chapters focus on the needs of students from immigrant communities especially those who are learning the language of instruction while others include historical minority groups as well **Multicultural Education as Social Activism** Christine E. Sleeter, 1996-01-01 Connecting multicultural education with political issues of power and struggle this book explores what multicultural education means to

white people given the unequal racial power relations in the U S and worldwide It examines connections between race gender and social class particularly as these connections play out for white women While taking a feminist perspective the author is also wary of the power white middle class women exercise in defining what counts as gender issues Throughout the book Sleeter argues that multicultural education was born in political struggle and can never meaningfully be disconnected from politics Ultimately the quest for schooling for social justice is a political quest rather than a technical issue

Multicultural Education Training LaToya A. Jackson M.E.D.,2015-09-15 This teacher education training program will help preservice and beginning teachers develop culturally sensitive curriculum that will integrate multicultural viewpoints and histories into the classroom apply instructional strategies that encourage all students to achieve and review school and district policies related to educational equity The multicultural education teacher training program is a comprehensive training curriculum that provides knowledge and skills necessary to teach in a multicultural classroom This training program emphasizes hands on practice in a professional learning environment which equips prospective teachers to participate in a diverse learning environment From a multicultural perspective all students should receive an education that continuously affirms human diversity one that embraces the history and culture of all racial groups and that teaches people of color to take charge of their own destinies With regard to teaching a multicultural perspective assumes that teachers will hold high expectations for all students and that they will challenge those students who are trapped in the cycle of poverty and despair to rise above it
